

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. **THE ONE REMEDY** which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeits are as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

KUTHE CASE TAKEN TO THE FEDERAL COURT

Petition for Writ of Habeas Corpus Filed at Portland Yesterday

A petition for a writ of habeas corpus for Charles F. Kuthe, in jail in Eugene on the charge of selling non-intoxicating malt liquors contrary to a city ordinance, was filed in the United States district court today, says yesterday's Portland Journal. Kuthe, it seems, was arrested and fined \$25. Refusing to pay the fine, he was sent to jail for twelve days. The petitioners assert that the imprisonment of Kuthe is illegal for the following reasons: That the city ordinance of Eugene is unreasonable;

that the city charter of Eugene does not authorize the city to make it unlawful or to prescribe a penalty for selling non-intoxicating liquors; that the legislature has no power to authorize a city to make it unlawful to sell such beverages; that the section of the city charter relating to malt liquors has been suspended by the operation of the local option laws; that the ordinance is void and that the plaintiff is deprived of his liberty without due process of law and against the constitutions of Oregon and the United States as well. (Kuthe is not in jail, as stated above. Sentence is withheld pending settlement of the case.)

BRUTES ASSAIL

MEDFORD GIRL

Kidnaped, Mistreated and Returned Home, With No Recollection of Captors

Medford, Nov. 16.—Cleo Hurst, a fourteen-year-old girl of this city, was kidnaped on Friday evening, and was returned to her home at 3 o'clock this morning after all search for her had proved in vain. The girl is in a precarious condition, having been brutally mistreated. The girl, who resides with her grandmother, left her home Friday evening to visit a neighbor. She was seized and thrown into a carriage. She remembered nothing more until she awoke today in her bed, where physicians were working over her. So far the police are baffled for a clue as to who her assailants were.

BALKAN WAR CLOUD STILL LINGERING

Vienna, Nov. 16.—The possibility of trouble between Austria-Hungary and Serbia has not been eliminated. A semi-official statement issued here today states that the Austria-Hungarian government will be compelled to take decisive steps if the Serbian provocations do not cease. The dignity of the dual monarchy forbids it longer to tolerate Serbia's actions. A final decision as to the course of the government will be reached in a few days.

The Austro-Hungarian government is determined to take special military measures without further delay. These measures will be purely of a defensive nature, consisting probably in the concentration of large bodies of troops at strategic points in Bosnia and Croatia. It is understood that Serbia has recalled her minister from Vienna, but this cannot be confirmed.

RUINOUS FIRE AT TILLAMOOK CITY

Tillamook, Nov. 16.—The most disastrous fire in recent years occurred here early Sunday morning. The entire Olsen block and a restaurant were burned to the ground. The fire threatened to destroy the entire town. Numerous buildings caught fire from the partially destroyed opera house two blocks away and a residence four blocks away ignited and was partially destroyed.

Following are the losses: Sappington Company, groceries, \$27,000; Tillamook bakery, \$6000; Dr. R. T. Beals, \$1500; Talmage & Johnson, lawyers, \$900; Masonic lodge, \$500; Reese restaurant, \$1200; Tillamook hotel, \$200; C. L. Clough, druggist, \$20; Billy Stevens' billiard hall, \$150; G. A. Edmonds, general merchandise, \$210. By water and smoke, P. F. Browne, shoes; Todd & Company, clothing; Sturgeon Millinery Company. The fire was discovered at 4:30 a. m. in the rear of the bakery. The volunteer company responded. The fire is supposed to be incendiary. The greater part of the loss is covered by insurance.

SECRETARY ROOT SURE OF ELECTION

New York, Nov. 16.—In the opinion of Republican leaders Secretary Root's announcement settles the question of his election to succeed Senator Platt. So long as no announcement had been made, his supporters were at a disadvantage and local politicians agreed that President Roosevelt had recognized this weakness and induced Mr. Root to come out into the open. Heretofore the opposition has stood on the proposition that he was not a candidate.

Timothy L. Woodruff refused to comment on Mr. Root's statement. Mr. Woodruff is now the only man in the race outside of Mr. Root. It is announced that ex-Governor Black is not and has not been a candidate and that he would not accept an election to the senatorship under any circumstances.
