COUNCIL MEETS AND TRANSACTS SOME BUSINESS

ourned session of the common council was held last night with all members present. The first thing done was the appointment by the mayor of Dr. W. L. Cheshire on the water commission, of D. E. Yorau who would not accept the appointment. The appointment was confirmed. A proposition from F. J. Schofield to build a public abattoir was read but no action was taken. The subject of a milk and meat inspector was brought up and discussed. It was found that the ordinance regulating this matter was never signed by the mayor. The ordinance was referred to the health committee to revise and report at the next meeting.

More Paving Ordinances.
An ordinance for establishing grades on Jefferson and south Willamette streets was passed.

An ordinance for paving Oak street from Ninth to Eleventh street was read and laid over, to determine on width of paving.

An ordinance for paving Olive street from Tenth to Eleventh at a width of 40 feet, was passed, Heller voting no.

The ordinance for paving West Eleventh street from Olive to Lincoln street (one width of the paving to be 34 feet) was passed. Heller voting no, and Williams excused from voting on this ordinance.

The ordinance for paving Pearl street from Sixth to Eleventh, at a width of 34 feet was passed. Heller voting no.

Tenth street from Willamette street to Pearl street, was read and laid over to get an expression of the lot owners as to the width.

Miscellaneous.
City Attorney Bean presented a report and deeds of dedication from Mrs. Riekman and Mrs. Kendall for part of West Seventh street, and the report was adopted.

Certain holes in the pavement on Olive and Eleventh streets were reported and the street committee and the city engineer were ordered to have them repaired.

The city engineer was ordered to bring in a report of the number of blocks paved in the city and the cost of the same at the next meeting.

The mayor announced that the water board would meet and organize and be ready to accept the water system on Thursday if the city is ready to turn it over to the board, and he suggested that adjournment be made to an early date to make a formal turning over.

Williams reported that the finance committee could not check up the receipts of the Willamette Valley company on the water rents from July at Portland, and asked further time to look up books here.

A communication from John H. Hartog from the Promotion department of the Eugene Commercial club was read, asking that "Cook with Gas" on the big reservoir, be covered with green paint. Prayer of the petitioner was granted.

MARKED FOR DEATH.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me and hope had fled, when my husband got Dr. King's New Discovery," says Mr. A. C. Williams of Bac, Ky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at W. A. Kuykendall's drug store, 50c and \$1.00. Trial bottle free.
