

Cheapness vs. Quality

In the matter of food you can't afford to sacrifice Quality for Cheapness. Economy is right and good but inferior food products are dear at any price.

KC BAKING POWDER

As has usually been the case in late years the foreign riders are to predominate. Walter Rutt and John Stoll who composed the German-Holland team which captured first honors in last year's race, head the list of foreign teams. Other European entries noted for their speed and endurance include Francois Faber, Hongri Lafouredo, Victor Dupre, Leon George, Roger Babrousee, Maurice Brocco, and Albert Edward Willis, the diminutive English pace follower, who recently established the world's record by riding 61 miles 905 yards in an hour.

ATHELETIC COUNCIL WILL DECIDE PLACE OF O. A. C. GAME

Will Meet Next Saturday to Determine Where 1909 Game Is to be Played

The athletic council of the University will decide next Saturday whether or not the O. A. C. Oregon game will be played in Portland in 1909, unless some change is made in the plans of the council. University students, prominent in college politics, freely state that the council will not permit the game to be carried again from the campuses of the two institutions.

Figures have been made, which calculate that all of the student members of the council will vote to keep the game out of Portland, two of the faculty members, and at least one of the Alumni members.

The members of the athletic council are: President Campbell, Professors Glen and Hawthorne, Trainer Hayward, C. N. McArthur, Judge L. T. Harris, George Hug, P. W. Reid, Fred Moulton and Wm. Woods.

College News.
An examination for removal of conditions will be held Monday and Tuesday.

Zeno Riddle has been elected captain of the Junior track squad. "Billy" Woods is the Senior; Chester Downe, the Sophomore; and Charles Reynolds, the freshman.

The general expression of the students, after seeing the Glee Club concert, is that the club is much better than last year. The stunts were materially strengthened.
