

# S.S.S. CURES BLOOD POISON

No case of contagious blood poison is ever cured until the last particle of the virus has been removed from the circulation. The least taint left in the blood will sooner or later, cause a fresh outbreak of the trouble, with all its hideous and destructive symptoms of ulcerated mouth and throat, copper colored spots, falling hair, sores and ulcers, etc. No other medicine so surely cures contagious blood poison as S. S. S. It goes down into the blood and steadily and surely drives out every particle of the infection. It absolutely and perfectly purifies the blood, and leaves this vital fluid as fresh, rich and healthy as it was before the destructive virus of contagious blood poison entered the circulation. S. S. S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin clear of all spots, sores and other blemishes, the hair stops coming out, the mouth and throat heal and when S. S. S. has cleansed the system of the poison no trace of the disease is left. S. S. S. cures contagious blood poison because it is the greatest of all blood purifiers, tested and proven for more than forty years. Book on this disease with suggestions for home treatment, and any medical advice sent free to all who write.

### MAJOR EDWARDS FINISHING UP THE RIGHT-OF-WAY WORK

Oregon Eastern Agent At Lowell—Double Marriage of Rush Island Couples

(Special Correspondence.)  
Lowell, Dec. 5.—Major Edwards, the right-of-way man for the Oregon Eastern, is seen around again and no doubt he is after settling up the unfinished business of the company along the lately located line. The most of the land along the line has been bought and paid for and now that Mr. Edwards is back again we think the company wants the right-of-way complete.

There was quite a stir on the morning of the 2nd inst., caused by the appearance of two costly looking rigs emerging from the direction of Rush Island and proceeding toward Fall creek, thence to Rev. R. G. Callison's, some horse-backers and another rig joining at Lowell, but it was all explained when Charley Hills and Wm. Glaspey presented to Mr. Callison a license to wed two of Rush Island's belles. Mr. Callison soon straightened things around and all was quiet for about two hours, and at the appointed hour, 11 o'clock, the two couples were made man and wife under one ceremony, after which the newly wed drove away toward

### DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer, Swamp-Root, & Co., P.O. Box 589, Lyons, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Lyons, N. Y., on every bottle.

### RECEIVER ROBERTS SHORT IN ACCOUNTS AT LA GRANDE

LaGrande, Or., Dec. 5.—D. A. Dunning, special agent of the government land office, is in LaGrande checking the accounts of A. A. Roberts, receiver of the local office. Roberts' accounts are badly mixed. It is thought that the investigation will uncover irregularities of extensive scope. Roberts is probably worth \$10,000 and he could make good a shortage to that amount. He has lived modestly since his arrival in LaGrande, and is well liked by the patrons of the land office and the employes. When questioned he said:

"The accounts are mixed. I do not know where I am. I fear some shortage, but I believe it will be small. When I took the office I received for about \$200,000. We have been handling a million and a quarter a year. The office has been behind with its work, especially since July 1, when the new system of accounts was established. As soon as I found I could not myself straighten the books, I asked for a special investigation. Mr. Dunning was sent here in answer to the request."

Mr. Roberts is ill today. He spent the day in his room at the Hotel Foley, most of the time in bed.

### TAFI PLEASD WITH AMERICAN MINING CONGRESS

Pittsburg, Dec. 5.—Today is the last of the American Mining Congress. He also said the industry deserves all the assistance the government can render it.

### EX-JUDGE ROOT MAKES STATEMENT

Seattle, Wash., Dec. 6.—Breaking his silence for the first time since his resignation from the supreme court bench of the state of Washington, former Justice Milo A. Root today stated that the troubles with which he has become involved and which led to his resignation were brought about through trusting a friend he had known for 20 years.

"But let me say first," said Mr. Root, "I am not corrupt. I did not receive a single penny. I did not ask for a cent and what has been done has been done honestly and above board. I do not care to say that Judge Gordon took my letters to the Great Northern railway and capitalized them for any amount. All I know about that is what friends of mine have told me."

Broken in Spirit and Fortune.

Judge Root is a broken-hearted man. Not only that, but he is sick and almost penniless.

"I don't want to talk about this case," he said. "The Bar Association is now investigating and it is not a matter that I should talk about. I will be vindicated, I have no doubt. I have done nothing dishonest, and if I had received the thousands of dollars which it is claimed I have received there certainly should be some evidence of it here."
