FIRST BASKETBALL GAME OF SEASON AT ARMORY FRIDAY

The season's first game of basketball is scheduled for Friday evening of this week between the high school and E. H. S. alumni at the armory.

Little can be said of the prospects of the high school team this early in the season other than the following facts concerning it:

There are three of last year's men out—Watson, Burton and Young. Of the new men who are in close competition for the first five are Abshire, who has played before at McMinnville college; Mummy and Harlow, who made the second team here last year; Sheridan, Cook, Green, Morrison and Dustin are all fast men.

Harry Stine, who is coaching the boys, is developing a remarkably fast team.

The alumni will have an all-star team and be pretty apt to give the boys a good scare. Those who will constitute this team will probably be Cockerline, Watson, G. Barbour, Bean and Roome.

The game will be called promptly at 7:30 and be finished in time for either the theatre or the Company C dance afterward.
