HOW SUBSCRIBERS MAY ASSIST THE CANDIDATES

Guard subscribers may assist their friends who are candidates for the free Seattle trip by paying their subscriptions one year or six months at a time, instead of monthly. The price by the year is only \$5.00, while it is \$6.00 if paid at the rate of 50 cents a month, and every year's payment carries with it 1000 votes for any candidate the subscriber may favor. Thus it is that by paying a year at a time the subscriber helps himself and assists a deserving girl to win one of the greatest prizes ever offered by any newspaper.

The trip to Seattle during the exposition, on the famous North Coast Limited train from Portland, with entertainment at one of the best hotels in the Sound metropolis, special attention upon the fair grounds, and excursions to outlying points of interest, will combine to make this vacation an event of pleasure to be remembered always. The Guard guarantees that no pains or expense will be spared that will add to the comfort and entertainment of the party from the time they leave home until

they return. Those who won the Los Angeles trips in The Guard contest of a year ago will testify to the fact that The Guard does more even than it promises for those who win in these popular voting contests.

If you want to win, go to work among your friends and ask them to support you—most of them will be glad to do it. If they already take the paper ask them to pay a year's subscription and turn the 1000 votes over to you. If they are not subscribers request them to take it—it is worth the money asked for it and more, too—for the 1000 vote coupons go to the old and new subscribers alike. Also ask your friends to clip out the single vote coupon that is printed daily in The Guard and save it for you. In this way you can get hundreds of votes. The standing of the candidates will be published again tomorrow, and some of them will show very substantial gains.

Special Offer.
For a short time only we are going to make the following offer: This is a grand premium for the subscribers

to the Daily or Weekly Guard.

A large fine wall map of the state of Oregon, the United States and the world, showing Panama canal, battleship fleet's trip around the world. These charts are nicely mounted, lithographed on heavy varnished paper and contain as much valuable information as an ordinary atlas. Call and see them, or send your remittance of \$3.00 for the Daily Guard, one year, or for the Weekly Guard, and one of these maps will be delivered to you. The map alone is worth more than the price of the paper. Every year's subscription to the Daily or Weekly Guard also entitles you to 1000 votes for your favorite candidate in the contest.

Contest Conditions.

The ballots will be counted three times each week until further notice, the announcements being made on Mondays, Wednesdays and Saturdays in the Daily Guard.

The ballot box will be located in the Guard's business office where ballots and coupons may be deposited during business hours.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discoveries

prevents these diseases. It makes a man's inside clean and healthy. It cleans the digestive organs, makes pure clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanness. Dr. Pierce's Pleasant Cure it. They never gripe. Easy to take as candy.
