# THOUSANDS OF VOTES ISSUED IN CONTEST FOR EXPOSITION TRIP

The votes in The Guard's great Seattle exposition contest are beginning to pour into the ballot box, although many large coupons have been issued that have not been deposited in the ballot box. Not less than 29,000 votes were issued in the business office yesterday to yearly subscribers, some of which will go to the candidates as Christmas presents.

That is a brilliant idea! Make some deserving girl an appreciated present of 1000 votes by paying a year's subscription to the Daily Guard (old or new) and thus assist her in winning a prize that will be both an education and a vacation.

The nine winners in this voting contest, three from the city of Eugene and one each from six other districts of the county, will be given a ten days' trip to Seattle during the great exposition next summer, with all expenses paid, and many special features added that can only be secured through the influence of the exposition management, which will see that the Lane county party is given the time of their lives. There will also be excursions to many points of interest about Puget Sound, and entertainment at the finest hotels in the bustling metropolis of the northwest.

Isn't the winning of such a prize worth the while of any ambitious girl? If you are a school teacher, stenographer, clerk or high school student, or engaged in any of the ordinary occupations, there is surely some time you can devote to work among your friends, asking them to cast their votes for you. They will

be glad to help you in order to encourage a laudable ambition.

For a few days longer the list of candidates will be held open so that new names may be added—but you should not long delay entering the race. Get in now and have an even start with the others, before some of your friends pledge their support to other candidates.

Tell your friends to clip the vote coupons out of the Daily Guard and save them up for you—every little helps, and you can get hundreds of these during the next few weeks if you organize your campaign systematically. The ballot box is located in The Guard's business office, and votes may be deposited at any time during business hours. Bring the coupons in or mail them to this office.

The following list shows how the candidates stand according to today's canvass, made at noon:

**Special Offer.**

For a short time only we are going to make the following offer: This is a grand premium for the subscribers to the Daily or Weekly Guard.

A large fine wall map of the state of Oregon, the United States and the world, showing Panama canal, battleship fleet's trip around the world. These charts are nicely mounted, lithographed on heavy varnished paper and contain as much valuable information as an ordinary atlas. Call and see them, or send your remittance of \$3.00 for the Daily Guard, one year, or for the Weekly Guard, and one of these maps will be delivered to you. The map alone is worth more than the price of the paper. Every year's subscription to the Daily or Weekly Guard also en-

**OREGON SIENNA PAINT CO.**  
WILL HAVE EUGENE STORE

Manager D. H. Weyant Here Today Looking After The Matter

D. H. Weyant, manager of the Oregon Sienna Paint Co., with headquarters and factory at Salem, was in Eugene today looking after the matter of establishing a branch store for his company in Eugene. Just now there are no vacant store rooms to be had here, but Mr. Weyant has one in view that he thinks will be vacated soon and hopes to secure it. If unable to get a room after the first of the year, Mr. Weyant says, his company may purchase a lot and erect a building of its own. The company is anxious to enter the Eugene field of business and is willing to expend quite a sum of money to do so.

The crude material for the manufacture of the company's paint is mined on the Ellis Simmons place, near Walker station, in Lane county.

titles you to 1000 votes for your favorite candidate in the contest.

**Contest Conditions.**

The ballots will be counted three times each week until further notice, the announcements being made on Mondays, Wednesdays and Saturdays in the Daily Guard.

The ballot box will be located in the Guard's business office where ballots and coupons may be deposited during business hours.
