PORTLAND MARKET REPORT

Portland, Dec. 18.—The poultry dealers are interested just now in trying to figure out what price Christmas turkeys will command. There is considerable difference of opinion, as no one has a very clear idea of the supply that will be available for the trade. Some dealers think a sufficient quantity will be put on the market to keep prices down to a reasonable basis. Others are satisfied the supply will be short and that the price that prevailed at Thanksgiving will be again quoted. Reports from the country do not indicate there are very many birds on hand, but any shortage from this source will be offset by chilled stock, of which it is understood a considerable quantity will be placed on sale. Guesses at the prices that will prevail next week range from 20 to 24 cents.

There was a good demand for live turkeys yesterday, and the few coops offered were disposed of readily at prices unchanged from those of last week. Ducks and geese also moved well. There was some inquiry for small broilers, but other kinds of chickens were slow, weak and lower in price.

How Buying Heavy

There was steady buying of hogs yesterday in various parts of the state. Klaber, Wolf & Netter were reported to be operating heavily, but no line on their purchases was obtainable.

McNeff Brothers were also large buyers during the day, securing over 400 bales at 5 to 6 cents, including the following: Joe Ego, Newberg, 92 bales; J. M. Wilson, Eugene, 80 bales; Dick Coleman, St. Paul, 40 bales; Needy, St. Paul, 24 bales; A. D. Achison, Gervais, 45 bales; Poy, Gervais, 52 bales; G. W. Poole, Forest Grove, 50 bales; C. E. Baker, Wilsonville, 33 bales.

H. L. Hart, in the past three days, purchased about 500 bales at 5 to 6 cents.

Kola Nels bought 140 bales from Miller Brothers, of Eugene, at 5 cents, and 80 bales of olds from the same grower at 8 cents.

There are only four lots aggregating 500 bales, available at Eugene, while at this time last year there were about 5000 bales on hand there. The Harrisburg district is said to be entirely cleaned out.

Weakness Gathers in Buter

A slight increase in supplies has been sufficient to cause a materially easier tone in the local butter situation. While as yet a steady to firm tone is noted in the best brands, those less familiar to buyers are rather hard to move and in a number of instances prices are being shaded in order to increase business. The fact that last week was the first week for some time that cream supplies showed an increase has caused a smaller amount of buying with the expectation that prices will go lower. The dullest is most noticeable in the cheaper grades of storage stock, although thus far the movement of better class storage butter has been quite good.

Eggs Are Selling Lower

While a large per cent of the sales of strictly fresh local eggs were made as high as 42 1/2c yesterday, the market is easier today, with the result that no one who wants to pay 40c is turned away. The increase in supplies, while not liberal, is growing, and for that reason the trade wants to move the stock with all possible dispatch.

Several more cars of Eastern eggs have arrived here since last Saturday, and the market is staggering under the input. While prices in general have not been changed, some of the dealers are shading their quotations in order to clean up before the price on local eggs goes so low that there will be no market here at all for the Eastern stock at any quotation.

Portland Livestock

Portland Union Stockyards, Dec. 17.—To the shipper and producer the livestock situation could scarcely be better than at this time. The forecast made of the market recently has been fulfilled in every particular, and today higher prices are in effect in the various values. Great strength continues to be noted in the cattle situation and for one load of 23 steers weighing 28,500 pounds, \$4.50 was paid during the past 24 hours. This is the above anything heretofore paid in the yards during the present season, although there has been some talk to the effect that \$4.50 would be obtainable for something showing select quality.

The market for all grades of cattle is showing an improvement and in all lines prices are being held stiff. Bulls are selling up to \$2.25. Arrivals are very small and do not more than half fill the demand shown in the yards, stipulated by J. J. 73904. E. T. A. H.

Hogs Well Set Higher

One bunch of corn-fed hogs from Modified tipped the top of the market today and sold at \$6.50, or 5c higher than the extreme top for recent trading. Receipts of hogs for the day amounted to but 200 head, and as there has been a resumption of demand from northern packers many more head could be used and still not affect the great strength now shown.

While there have recently been several drops in hog values in the East and Middle West, the changes are not severe enough to affect prices along the Pacific coast.

GENERAL NEWS FORECAST FOR THE COMING WEEK

Washington, D. C., Dec. 19.—The holiday recess will cause a lull in the proceedings of Congress during the coming week, but as a majority of the lawmakers have acquired the habit of remaining in Washington since railroad passes were abolished, there probably will be enough gossip going the rounds to keep the special correspondents from growing stale. The Cabinet-makers will be busy, important conferences will be held and the House Committee on Ways and Means will probably continue its hearings.

Two murder trials that will attract public attention are scheduled to begin Monday. The first is that of Mrs. Catherine Erb and her sister, Mrs. Belsel, who will be tried for the alleged murder of Mrs. Erb's husband, Captain J. Clayton Erb, who was prominent in Philadelphia politics. The second trial will be that of Andrew McGrath, who shot and killed Walter E. Ammon, the "oleomargarine king," in the Pennsylvania railroad station in Jersey City a short time ago.

In observance of the Christmas holidays the stock exchanges, banks and other financial institutions, the courts and a majority of business establishments throughout the country will be closed from Thursday night until Monday morning, while the big folks and little folks throughout the land are in the enjoyment of the Yuletide festivities.

On Christmas day there will assemble in the progressive city of Santiago, Chile, a Pan-American scientific congress that promises to be the most notable gathering of its kind ever held in the Western Hemisphere. The United States has sent to the congress a distinguished delegation that includes representatives of Yale, Harvard, the University of Wisconsin, University of Pennsylvania and other educational institutions, the Smithsonian Institute, and the United States army.

Another event of interest in the foreign field will be the assembling of the Japanese Diet, which has been called for next Tuesday.

The Atlantic battleship fleet, homeward bound, will conclude its stay at Colombo, Ceylon, and proceed to Suez. The ships will pass through the Suez canal as expeditiously as possible and then the fleet will split into four divisions, each division visiting a different Mediterranean port before reassembling at Gibraltar early in February for the last stretch of the voyage home.

The sporting event of the week will be a pugilistic contest at Sydney, Australia, between the two American fighters, Tommy Burns and Jack Johnson. The event takes place Saturday and is advertised as for the heavy-weight championship of the world, the title to which has been, by common consent, accorded to Burns since the retirement of Jeffries.

THE POULTRY SHOW.

The Poultry Show to be held by the Lane County Poultry Association in this city next week promises to be the greatest success of its kind since the inauguration of poultry shows in the Willamette Valley some ten or twelve years ago. The shows heretofore held in Eugene have all been successful ones, but this one bids fair to surpass all previous ones. It will be held at the southeast corner of Sixth and Willamette streets in the new Cherry building.

There is a fine lot of silver cups, trophies, etc., offered as premiums by business men of the city, now on display in the show windows of Frank E. Dunn that is enough to make most anyone wish he possessed a fine pen of fowls of some variety that he might enter the competition and secure one of these handsome specials.

The poultry show is a strong incentive to the building up of one of the adjuncts to agricultural pursuits that in itself represents in national statistics far more than many other industries ordinarily considered of greater importance, but which, in fact, sink into insignificance when Uncle Sam shows up the record of the American Hen.

No one should miss the opportunity of attending the poultry show, for it is in the interest of a worthy cause, and is deserving of the patronage of all. The dates are December 21 to 24, inclusive.

LOST VALLEY NOTES.

(Special Correspondence.)
Lost Valley, Dec. 14.—A very successful basket social was held at the Trent school house last Saturday evening after the literary society adjourned.

Trent now has a quartette. What is wrong with Dexter? Why hasn't Dexter one, also?
Rev. Mr. Williams held services here last Sunday.

Brother B. L. Edwards will preach here next Sunday.

At the home of the parents, the little daughter of Mr. and Mrs. Asa Titton, on December 9, The sorrowing father and mother many friends.

Born: To Mr. and Mrs. Thomas Cruzan, on December 5, a daughter, Mr. Edwards, of Creswell, was in Dexter over Sunday. We did not learn his initials. However, we feel sure if you will ask Miss Verda Neet you will be enlightened.

Mr. Louis Morgan spent Sunday with Mr. and Mrs. W. H. Fenton.
We are sorry to report that "Uncle James" Parvin's condition is not improved.

NATURE TELLS YOU

As Many a Eugene Reader Knows Too Well.
When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.
Doan's Kidney Pills cure all kidney ills.
Eugene people testify to this. L. Bonney, 459 Olive street, Eugene, Oregon, says: "I suffered from backaches for a good many years. The kidney secretions were irregular in action, unnatural in appearance and a source of much annoyance, especially at night when my rest was broken. I tried many remedies but obtained no relief until I procured Doan's Kidney Pills at W. E. Delano's drug store. After I had used one box I received great relief and continuing them all my trouble disappeared. I take great pleasure in expressing my opinion of Doan's Kidney Pills."
For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents of the United States.
Remember the name—Doan's and take no other.

Nearly everybody knows DeWitt's Little Early Risers are the best pills made. They are small, pleasant, sure Little Liver pills. Sold by all druggists.
