## Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which occur incidentally. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.

**It Makes Weak Women Strong,  
Sick Women Well.**

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition.

## CALL TO POPULAR LANE COUNTY LADIES

Hundreds of coupons clipped from The Guard are coming into the ballot box daily now, and it is a long job to count and you can help us by putting these coupons up in packages fastened together; instead of putting them in singly, all crumpled up. Please do this little extra work and earn the everlasting gratitude of The Guard's contest clerks.

Just a little delightful work for just a delightful little while will win you thousands of votes and give you a magnificent trip to the great Alaska-Yukon-Pacific exposition in one of the Northern Pacific Railway's most palatial coaches. You'll be properly chaperoned, and comfortably quartered at one of Seattle's swellest hotels. You'll be taken through the exposition grounds and spend days and days seeing the wonderful achievements of art, industry and invention; Nature's mysteries as unveiled by science—in fact, everything from the fading borderland of the misty past right up to the breast-works of the inscrutable future, besides everything to be seen in and around the famous booster city of the Pacific coast. All—and more too—for only a little pleasant work for The Guard.

Getting subscribers for the Daily or Weekly Guard is really pleasant work, because Lane county is famous not only for its princely resources, but noted for the intelligence, thrift and prosperity of its people, and only those can be so who are in constant touch with its daily and weekly news, and the news of the world as furnished them in The Guard. Think of what you give the people for their money—just think of it.

One large complete map of their county, their state, of their nation and of every nation on earth, with an index directing you where to find any postoffice, village or town, city, lake, mountain or river or creek in the state in a moment's time; courses of our Pacific and Atlantic traffic; the course of our Atlantic fleet in its historic trip around the world; the Panama canal and zone! population of cities and distance apart; pictorial illustrations of the crowned

heads of Europe as well as the crownless heads of the American republics, etc. In fact, it furnishes you with a world of information that no geographer on earth can furnish you without it or some other kindred work. Six artistically lithographed and skillfully varnished wall pages, worth much more than it readily retails for (\$2.50) and one year's subscription to the best daily paper in the state outside of Portland for one whole year for only \$5; and besides, 1000 votes for you to help win your greatest sight-seeing trip of your life, for you will never be likely to again have the chance to see another international exposition on the Pacific coast. Every business man who has kept abreast of the times by reading our Associated Press dispatches knows that, if your party hasn't the \$5.00, get him to give you \$2.50 and we'll send him The Guard for six months (daily) and the map and 500 votes. By mail the Daily Guard is only \$3.00 per year, with the map.

Don't be discouraged because some one else has already a few thousand votes, because that means only a few thousand subscribers. If you never did any newspaper work call us up and we will send an experienced person with you to show you how to lay this grand offer and chances before your friends.

Remember, girls, Lane county people are the best people on earth and they admire pluck and effort in their boys and are proud of it in their girls and young women; and they'll have reason to be still prouder of you when you go to the Alaska-Yukon-Pacific exposition with Lane county's banner flying from your coach and Lane county badges fluttering from your bosoms—healthy and handsome, plucky and popular belles of Lane county.

### Special Offer.

For a short time only we are going to make the following offer: This is a grand premium for the subscribers to the Daily or Weekly Guard.

These charts are nicely mounted, lithographed on heavy varnished paper and contain as much valuable information as an ordinary atlas. Call and see them, or send your remittance of \$3.00 for the Daily Guard, one year, or for the Weekly
