TWO-STORY BRICK APARTMENT HOUSE ON WEST SIXTH STREET

W. Polders and E. E. Mink Will
Build Soon on Miller Lot Re-
cently Acquired by Them

W. Polders, the haberdasher, and
E. E. Mink, business manager of the
Guard, who purchased the east 50
feet of the Phil Miller residence lot
on West Sixth street, between Olive
and Charnelton, a short time ago,
will soon begin the erection thereon
of a modern two-story apartment
house. It will be of brick veneer
construction, with a handsome pressed
brick front. John Hunzicker, the
architect, is now drawing plans for
the building, which will cost in the
neighborhood of \$15,000.

The building will front on West
Sixth street 70 feet and will extend
back nearly to the alley. It will ac-
commodate six families, three down
stairs and three up stairs, and will
contain 30 rooms—five to the family
—besides closets, toilets, bathrooms,
woodsheds, etc. The entire building
will be heated by a steam furnace and
hot and cold water will be piped to
every apartment. In each apartment
will also be a gas range for cooking
purposes.

It is expected that the work of
erecting the building will begin very
soon after the first of the new year.

was gone." Heals all sores. Sold un-

ALBANY SHOWS ITS HATRED OF EUGENE

Wants Name of Eugene Erased
From Street Car That is
Properly Lettered

The Albany Democrat, in giving an
account of the first trip of the Port-
land, Eugene & Eastern Railway Co.'s
electric car in that city, says:

"Considerable dissatisfaction has
been expressed over the name Eugene
on the car, and it is said the name
will be erased temporarily the name
Eugene was covered with paper.
The car is to be relettered. In big
letters ALBANY was on the car."

This is ridiculous. The name of
the company which built and oper-
ates the Albany line is Portland, Eu-
gene & Eastern, not Portland, Al-
bany & Eastern. The Albany line is
a part of the big system of proposed
lines, just the same as the Eugene
line is, and all under one name.
