**CHRISTMAS AT  
 CHURCHES OF  
 CITY OF EUGENE**

**Baptist Church**  
 The Christmas exercises at the Baptist church were listened to by a large audience last night. The program was given by the older members of the school. It was a beautiful setting forth of the Christmas story, the progress of Christianity through various movements and representatives of many nationalities told their need of the gospel story to the three "wise men" who appearing on earth were surprised that the whole world had not heard the Christmas story after 20 centuries had elapsed. The cantata was given in costume, while the platform was artistically arranged for the play. The usual treat was given to the little folks.

**Presbyterian Church**  
 Exercises were held at the Presbyterian church last night by the Sunday school. The big building was well filled with the little folks and a splendid program was rendered. The principal feature of the program was a cantata. After the program a lunch was served in the dining room.
