# Closing Out Sale

Nicklin's

## I AM POSITIVELY RETIRING FROM BUSINESS

Owing to continued poor health and upon the advice of my physician, I have decided to close out my business and take up some line of work that will enable me to spend a good portion of my time in the open air. Commencing tomorrow morning, Dec. 30th and continuing until the entire stock is sold--I will place on sale every article of merchandise in my store (excepting Pictorial Review Patterns) at practically first cost. I intend getting out of business quick and am making prices accordingly.
