### MOUND ITEMS.

(Special Correspondence.)

George Prescott and Mr. McIntosh started on the 25th for Eugene on business connected with the buying of timber lands.

Charles Layne is home again recuperating from a fall he had in the mountains on a cruising trip recently. We are very thankful, Charlie, that it did not prove more serious.

Glen Saunders and Chester Pierce are down in the mountains hunting wildcats.

Harry Layne and George Prescott each killed a large wildcat recently.

Roy Bierce went to Independence a few days since, ostensibly to spend Christmas.

Jay Johnson started out Sunday morning with his gun, ostensibly for a hunt. But it is our candid opinion that if he can wend his way over the Wolf creek trail, he is hunting a partner for the New Year's dance at Crow.

The writer would like to know the postoffice address of one T. J. Elliot, G. A. R. veteran, who responded to roll call at the last encampment in Eugene.

Mrs. Henry Pierce of Glentena is now sojourning with neighbors in the vicinity of her old home at Alma.

Mrs. A. D. Bierce received for a Christmas gift, a fine portrait of her brother and wife, Mr. and Mrs. Ell Bierce of Kalamazoo, Michigan.

George Prescott of this place and Ed Pettit of Alma, (we are informed), traded dogs recently. George gets his old dog, May, back. We wonder if George expects to renew his old time luck getting varmints.

Chester Bierce intends to take the eighth grade examination on the 21st of January. County Superintendent, take notice.

### Medicine That Is Medicine.

I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters; a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kiestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at W. A. Kuykendall's drug store.

### PLEASANT HILL ITEMS.

(Special Correspondence.)

Pleasant Hill, Dec. 28.—Xmas is a thing of the past and everyone is busy formulating new resolutions to go into effect the first of the year.

Arthur Lattin and wife are spending the holidays with Mr. Lattin's brother, Ed Latin of this place.

Will Drury is at home from Svensen to spend a short vacation.

The teachers of this vicinity aer at home during the holiday vacation.

Prof. Corum is here from Roseburg spending the vacation with Mrs. Corum, our efficient and very popular high school teacher.

A shooting match was given by Mr. Statzer on December 24, and it is needless to say, that a goodly number were lucky enough to secure a fine turkey for Xmas dinner.

Grandma Wilcox and Mr. and Mrs. Harry Elliot are visiting with our post master, Mr. Furrow.

Among others we notice Ben Eby's smiling face. Come again, Ben.

At the Christmas tree given at the church on the evening of December 24, an excellent program was given by the high school under the direction of the teacher, Mrs. Clara Corum. The various numbers on the program were nicely rendered and were a credit to the training they are receiving. The tree was nicely decorated and everyone received a nice present.

### DO AS THIS MAN DID.

Only 24 years ago I sold to S. P. Sladden 133 acres of land for $6500, or about $49 per acre. He planted it to fruit, raised enormous crops. This land is now selling at $325 to $500 per city lot—equal to $1300 to $2000 per acre—a profit of over 100 per cent on the original investment for each and every year of the 24, on the land alone, to say nothing about the fruit raised in the meantime. "Go thou and do likewise." Buy now. Suburban acreage is the only land that will produce city lots at a profit. Ten acres of City View Park property staked, will make 40 city lots that, in a comparative short time, will be worth $325 to $500 each. While you are waiting for your crop of city lots to ripen you can plant the land to fruit, poultry or vegetables, raise big crops without irrigation—and it is no crime to make a home on the land while these things grow. City View Park has good drainage, fine outlook, some building restrictions, No. 1 soil, pure soft water, accessibility and good society. I sell only to the better class, assuring purchasers of great increase in values. List of buyers, so far, include James J. Prichard, capitalist; A. W. Ross, capitalist; L. L. Constance, retired attorney, now building handsome and costly residence; E. S. Rolfe, capitalist; G. W. Prater, fruit raiser; G. D. Linn, druggist; Edith Prater, secretary Puyallup Fruit Growers' association, and Paul Bond, high school teacher. City View Park fronts on West Eleventh street, the street that has the University of Oregon, Bible school, library, high school, Central school, many fine residences; more blocks of pavement than any other street, and is the only street in the entire city that is open throughout the city at both ends. City View Park adjoins the Dr. McCornack orchard on the east and is proven fruit land of the best quality. In all my experience of 26 years of selling land in Lane county, I have never handled a tract of land that gave the buyer better values for his money than I am able to offer in City View Park. This property is not only the best thing I ever handled, but it is the best property on the Eugene market today at the price. The tract contains 375 acres, suiting a homeseeker or investor to secure either level or rolling land, either cleared or timbered, and at prices to suit anyone and on terms that he can easily meet. BUY NOW.
