**H. O. WILL NOT PLAY MULTNOMAH ON THANKSGIVING**

Tentative Agreement Between Club Men and Agricultural College Made

Oregon Agricultural College will be the football opponent of the Multnomah Amateur Athletic Club next Thanksgiving day instead of the University of Oregon, the time-honored opponent of the "Winged M." says yesterday's Journal. Although there was no special meeting of the board of directors of the club last night as intended, a tentative agreement was entered into last Sunday morning, and Manager Pratt instructed to go ahead and contract with the Aggies for the 1909 date.

Manager Pratt and Physical Directors Angell and Hayward, of the Agricultural College and the University, respectively, held a conference here yesterday afternoon, while the latter were on their way to Seattle to attend the Northwest college conference. Angell was perfectly willing to alternate with Oregon on the local Thanksgiving date, but Hayward remained obdurate over the every other year proposition. He said that the game had become an established custom and that the University did not feel as if it should interrupt its schedule every other year with relation to a Thanksgiving date with the club.

Pratt then talked over a Multno-

mah-Oregon game earlier in the season, but to this Hayward would not listen. He said that Oregon must have a Thanksgiving date with Multnomah or none at all. In view of these circumstances Manager Pratt entered into negotiations with Angell and is ready to sign a contract with the Aggies for next year.

Option on Baseball Grounds

Before leaving for Seattle Hayward told several of his friends, according to rumor, that the State University football management had an option on the professional league baseball grounds at Twenty-fourth and Vaughn streets, for Thanksgiving day and the preceding Saturday. This is taken to indicate that the "varsity" eleven might bring some one of the northern college teams to Portland for an opposition game on the big holiday date. Negotiations are still on between O. A. and Oregon over their annual game. Oregon wants the game in Eugene while the Aggies want it played in the metropolis. However, it is not believed the Aggies will hold out against the campus game this season.

The Oregon Agricultural College intends to bring the University of Washington to Portland or Corvallis next season, and it is not improbable that the Oregon game goes to Eugene. Washington State College, which has not met an Oregon team in several years, will probably be offered a date by the Aggies. With the Multnomah, Oregon, Whitman and Washington game, this would give the Aggies about the heaviest schedule any Northwest college team has ever had. Heretofore the Aggies have had too short a schedule, but the expansive plan will be tried next season.

Hayward, who is temporarily in charge of the Oregon football schedule until a manager is elected at the "varsity," is hard at work drumming up games. The University will bring Idaho to Portland according to agreement, but so far as is known that is the only game the Oregonians are absolutely sure of. Whether the game will be played on Multnomah field, as was the case two years ago, is not definite. The breach caused by the Thanksgiving switch will not, it is believed, have any effect on the location of the grounds for the Idaho-Oregon game in Portland.

**ROSEBURG WILL FIGHT PROPOSED COUNTY DIVISION**

People Not Willing to Give Up the Northern Portion of Douglas County

(Staff Correspondence.)

Roseburg, Or., Dec. 30.—The portion of Douglas county which would become a part of a new county division in case the Cottage Grove agitators should be successful, will not be given up by the interests which centre about Roseburg without a fight. Nevertheless some residents of this city feel that some sort of a division is inevitable at a future time, and that in case the Cottage Grove people should carry the movement to the people that they will be successful.

In the past Douglas county has always fought hard to keep every acre of land possible within her boundaries. When Lane county influences have sought to piece all of the Bohemia mining district inside of that county, Douglas county legislators have fought the movement with all their might. And their strength has usually proven sufficient.

Some of the people here reason that there is little or no sense in any re-division at the present time. They think that the movement is headed by Cottage Grove men, who want to aggrandize their city at the expense of other portions of the section.

One man said: "They merely want the salaries and the new court house. They don't care anything about the welfare of the new county. It simply adds to the expense—two officers where there was one."

Douglas county will probably be out of debt in less than a year. Under the regime of County Judge Woonsocket the \$80,000 of the Douglas county debt has dwindled to approximately \$25,000. Therefore, the conclusion is drawn that with the next tax levy little of the sum will remain to be paid.

Lane county is also understood to be in debt, and with both the present counties without any great burdens, the difficulties of an equitable apportionment will not exist in case of a division.

County Treasurer

HELD UP AND ROBBED

Woonsocket, S. D., Dec. 29.—County Treasurer Michel Meier was held up and robbed in his office last night by two masked men, who secured \$5000. The robbers escaped.

Spend Your Holiday Vacation at Paso Robles

If complete rest and most perfect conditions imaginable for nature cure are what you need, spend your holidays at Paso Robles Hot Springs, California. A week or two, and even a few days there will accomplish more in the way of restoring energy than a much longer period and more expensive treatment, elsewhere, because good old Mother Nature is the nurse and physician.

Paso Robles is taking the same rank in America and enjoying the same fame for wonderful cures that Carlsbad and Baden-Baden do in Europe. The hotel is a marvel of comfort and luxury, and the bath house built by the city, free to all, is said to be one of the best in the world. It is a stubborn ailment and a hopeless condition of physical breakdown that the mineral waters and hot mud baths of Paso Robles will not heal in a short time.

Call on agent at Eugene for descriptive booklets of Paso Robles, and he will also tell you all about rates.

Notice

Commencing January 1st, a collector will visit the business district only for the collection of the electric light and gas bills. All residence bills for electric light and gas must be paid at the office of 644 Willamette street on or before the 15th of each month or the service will be disconnected without further notice, and a charge of 50c will be made to connect up again.

**WELCOME WORDS TO WOMEN**

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst cases of disease.

It is the only medicine of its kind that is the product of a regular physician. The only one good enough that its makers dare to put its ingredients on its outside wrapper. There's no secrecy. It will cure you. No alcohol and no habit-forming drugs are found in it. It is a pure medicine. Write to World's Dispensary Medical Association, 100 North Third Street, New York, N. Y.—take the advice received and you will be cured.

**MONROE SUNDAY SCHOOL OFFICERS**

Monroe, Or., Dec. 29.—At the annual meeting of the Sunday school board of the Methodist Episcopal church, held here yesterday, the following officers were elected for the ensuing year: Superintendent, Rev. E. H. Beaman; assistant superintendent, M. Clay Starr; secretary-treasurer, Miss Edna Martin; librarian, Miss Ada Evans; organist, Mrs. Ed Kay; chorister, Cliff J. Ralls.

The outlook for the local Sunday school is much brighter than at this time last year. Rev. DeBorde, recently from Kentucky, is giving much satisfaction.

**DO AS THIS MAN DID.**

Only 24 years ago I sold to S. P. Sladden 133 acres of land for \$6500, or about \$49 per acre. He planted it to fruit, raised enormous crops. This land is now selling at \$325 to \$500 per city lot—equal to \$1300 to \$2000 per acre—a profit of over 100 per cent on the original investment for each and every year of the 24, on the land alone. I say nothing about the fruit raised in the meantime. "Go thou and do likewise." Buy now. Suburban acreage is the only land that will produce city lots at a profit. Ten acres of City View Park property staked, will make 40 city lots that, in a comparative short time, will be worth \$325 to \$500 each. While you are waiting for your crop of city lots to ripen you can plant the land to fruit, poultry or vegetables, raise big crops without irrigation—and it is no crime to make a home on the land while these things grow. City View Park has good drainage, fine outlook, some building restrictions, No. 1 soil, pure soft water, accessibility and good society. I sell only to the better class, assuring purchasers of great increase in values. List of buyers, so far, include James J. Pritchard, capitalist; A. W. Ross, capitalist; L. L. Constance, retired attorney, now building handsome and costly residence; E. S. Rolfe, capitalist; G. W. Prater, fruit raiser; G. D. Linn, druggist; Edith Prater, secretary Payallup Fruit Growers' association, and Paul Bond, high school teacher. City View Park fronts on West Eleventh street, the street that has the University of Oregon, Bible school, library, high school, Central school, many fine residences; more blocks of pavement than any other street, and the only street in the entire city that is open throughout the city at both ends. City View Park adjoins the Dr. McCornack orchard on the east and is proven fruit land of the best quality. In all my experience of 26 years of selling land in Lane county, I have never handled a tract of land that gave the buyer better values for his money than I am able to offer in City View Park. This property is not only the best thing I ever handled, but it is the best property on the Eugene market today at the price. The tract contains 375 acres, enabling a home-seeker or investor to secure either level or rolling land, either cleared or timbered, and at prices to suit anyone and on terms that he can easily meet. **BUY NOW.**

GEORGE MELVIN MILLER, Room 20, McClung Bldg.

The election of Hon. Eugene Hale of Maine as Republican leader of the United States Senate, which carries with it the chairmanship of the Senate Committee on Appropriations, formerly held by the late Mr. Allison of Iowa, recalls the fact that out of the forty-one years that the Appropriation committee has existed, the chairmanship has been held for thirty-two years by Senators from Maine and Iowa. The Maine predecessor of Mr. Hale was Senator Lot M. Morrill, who served as chairman from 1869 to 1871 and from 1873 to 1879.
