

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the average woman suffers from weakness and disease of the delicate feminine organism and are unable for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the various ailments and disorders of women. It acts directly on the delicate and important organs connected with the reproductive system, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes labor's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drug. It is a pure glyceric extract of healing, native American roots.

SPORTING NOTES

Baseball. K. B. will meet Tommy Williams at Columbus, Ohio, New Year's day.

Manager William Murray, of the Philadelphia Athletics, is spending the holidays at his home in Peabody, Mass.

Quinn, Harry Pulliam's new umpire, is well spoken of by National League players who were in games with him last season.

Only two big baseball trades pulled off so far this winter, and St. Louis landed head up in both of them.

"Rube" Waddell has returned to St. Louis after a delightful visit in Sparta, Ill. Mr. Waddell left the day after Sparta went dry.

Jim Jeffries is trying to bring Bunting Nelson and Packey McFarland together for a bout in February. What year, 1908 or 1913?

Manager Frank Bowerman, of the Boston Nationals, would like to trade Bill Dahlen for Mike Mowry. Frank will make a good trader some day if he puts through all these deals.

Hugh McInnes, of the Boston Nationals, has been sent to Hot Springs to prepare a new ball park in which the Red Sox will do their training next spring.

Pearl Casey next season will handle the Portland, Or., baseball team, Portland having taken the place of Batte in the Northwestern League.

Promoter McCarty, of Los Angeles,

Perfumed soaps seldom contain either good perfume or good soap.

If you want perfume, buy perfume—the best you can afford.

As for soap, there's nothing better than Ivory.

No "free" alkali in it; no coloring matter; no adulterant of any kind.

is hot after Jim Driscoll to meet Abe Attell. Jim says he is not able to find his way out there.

Ira Thomas, the Detroit catcher, says that he will not go to Philadelphia if Manager Jennings sends him to Connie Mack. That's too bad. What on earth will Connie do now?

Eastern League players are kicking because their salary limit next season will be \$250 a month. And that is about eight times as much as a majority of them got in Troy.

Napoleon Lajoie has received a Christmas present of two bats that have been soaked in oil for two years. Some players are not able to get things that have been in soak only two months.

James Coffroth has arranged to give a continuous boxing show on New Year's day at Colma. The performance will start at 11 a. m. and consist of 32 bouts.

Charlie ("Pop") Shaffer, who has managed ball teams in Savannah and Roanoke, will have charge of the new Davenport team in the Three-I League.

And now they say that "Rube" Marquard, the \$11,000 plant, has only one good eye. American Association players say they need to hunt on the side of Rube's bum light and run to the right field fence before he could locate the ball.

Jimmy Collins is to buy the Buffalo team, then purchase the Detroit franchise and place Buffalo in the American league, Detroit going to the Michigan League. But what's the difference, so long as Buffalo has Rube Kinsinger?

HOLD ANNUAL REUNION

Scandinavians Meet in Frank's Hall on Friday Evening.

One of the great events in this part of the valley is the annual reunion and get acquainted parties, held during holiday week by the Scandinavian people.

Usually this event is pulled off at Christmas time but owing to circumstances it was postponed until Friday evening, January 1st, and will be held in Frank's Hall.

As a people, none enjoy themselves better than the Scandinavians who are no small part of our population and when they get together they can give the natives cards and apades on having a genuinely good old fashioned sociable time.

There will be a fine supper served, interspersed with a pleasing program, including music and dancing.

The committee authorizes the Guard to say that the only invitation extended will be through the press so that all Scandinavians, either old timers or new arrivals, are expected to be present and enjoy the festivities of the occasion and don't forget the time and place—Frank's hall, Friday evening, January 1st, at about 7:30 o'clock.
