TO TIMBER OWNERS

If you desire a careful and accurate cruise on your timber, we can do some of the work. Our methods will give you more money than the old way—i.e., "guess work" but if you would rather pay more for an estimate that is practically a guarantee, we will do it. We estimate some trees more than once, and many trees not at all, we can do your work satisfactorily, and it will stand inspection by any competent timberman.
