

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice.

Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

FOR SALE, EXCHANGE OR LEASE

Having concluded to retire from the lumber business I offer for sale, lease or will exchange for Eugene or Portland income property, my sawmill, sawmill site, booms, lumber sheds, office, planers, dry kilns and all tools connected with the business.

Mill located at river bridge in the centre of Eugene city, east and west, and only three blocks from the S. P. R. R.

This is a fine opportunity for some one to go into the lumber business, as there is always a big local demand for all slabwood, sawdust, shavings, cull lumber, as well as the better grades of lumber. Logs are cheap, labor cheap, lumber high.

A good millman can make this property pay for itself in two years, and if he will operate day and night in one year. Greatest opportunity in this part of Oregon for a mill man; best located mill in the state. Capacity, 20,000 feet in ten hours.

When you have this mill you are at the market. Planer and dry kiln—everything needed to make lots of lumber and lots of money. Give this your early attention if interested in a lumber proposition. I am sure you cannot beat it in the state. The quicker you act the surer you are of making your fortune, for this is a chance in a lifetime.
