ADMISSION 5c

ACTIVITY AMONG CANDIDATES IS INCREASING DAILY

There is now a steady run of coupons being issued from The Guard business office upon yearly subscription to the Daily or Weekly Guard. Several thousand of these votes are going out daily in 1,000 and 500 vote coupons, which is indicative of the activity of the candidates in the several districts. The offer of a grand prize of a fine residence lot in Eugene to the candidate receiving the highest number of votes in all the districts has increased interest in the contest to such an extent that every possible effort will be put forth by the contestants to win the coveted prize.

Next week the Guard will begin the publication of the pictures of all the candidates, quite a number of them having responded to the request to send in their photographs. This will assist a candidate materially, as many persons will make their selection of a favorite from these pictures even if they are not personally acquainted with the candidate, and will aid in creating enthusiasm among the friends of those who desire to take the great Seattle Exposition trip.

All the candidates realize that during the next week or two is the time to get a good start toward a winning vote in the big contest and will make a strenuous effort to poll a good vote in order to inspire confidence among their supporters. The people generally are already entering into the spirit of the contest and it promises to be the most spirited popular election ever held in this county.

The next count of votes occurs Saturday.
