STEADY INCREASE IN DEMAND FOR VOTE COUPONS

The campaign for votes that is being waged by the candidates for honors in the great Seattle exposition trip has settled down to a steady effort that is being rewarded by many coupons of large demonstrations. Every mail brings many subscriptions and large numbers of single coupons clipped from the Evening Guard are pouring into the ballot box. Many of the candidates are not depositing all their votes but are building up a reserve to be voted later, as the contest draws nearer to its close.

The special offer made of a \$200 residence lot in the city of Eugene to the candidate receiving the highest number of votes in the entire county is having the effect of stimulating all who have interest in the contest to make every possible effort to win the capital prize. It is assumed that the most popular young lady, the one who is most successful in enlisting the aid of her friends—will succeed in carrying off this combined prize of the exposition trip and the city lot.

The exposition trip is going to be one of the finest vacations that could be planned for next summer. Ten days of sightseeing and entertainment that will include admission to the great world's fair and all its varied attractions, excursions about Puget Sound and the city of Seattle. During the stay in the city the party will stop at one of the finest hotels and be royally entertained.

Those who have entered the contest and have been slow in starting should not be discouraged because some one else is a few thousand votes ahead. Only a little effective work among ones friends is necessary to even the score, and NOW is the time to do it.

a grand premium for the subscribers to the Daily or Weekly Guard.

A large fine wall map of the state of Oregon, the United States and the world, showing Panama canal, battleship fleet's trip around the world. These charts are nicely mounted, lithographed on heavy varnished paper and contain as much valuable information as an ordinary atlas. Call and see them, or send your remittance (by mail) for the Daily Guard, one year, or for the Weekly Guard, and one of these maps will be delivered to you. The map alone is worth more than the price of the paper. Every year's subscription to the Daily Guard also entitles you to 1000 votes for your favorite candidate in the contest.

Contest Conditions.

The ballots will be counted three times each week until further notice, the announcements being made on Tuesday, Thursday and Saturday.

The ballot box is located in the Guard's business office where ballots and coupons may be deposited during business hours.
