WILL PLANT MANY TROUT EGGS IN M'KENZIE

Commercial Club Committee
Reports 150,000 on Way—
Monthly Meeting of Club

At the regular meeting of the Commercial Club last night a large number of matters of importance were discussed and acted upon, principal among them being that of the formation of the new county of "Nesmith." A delegation of citizens from Cottage Grove was present for the purpose of presenting the matter before the club. The speakers were H. O. Thompson, Hon. R. W. Vestel, Attorney J. C. Johnson, N. H. Martin, C. H. Burkholder and J. E. Spray. All these gentlemen presented facts and figures in support of the measure and were enthusiastic over the measure. F. W. Osburn, S. H. Friendly, E. O. Potter and Dr. D. A. Paine spoke against the proposition and the last named moved that it be the sense of the club that the organization is opposed to the division. The motion was unanimously carried.

Home Telephone—
Another matter of importance was that of an independent telephone system for Eugene. C. C. Craig, representative of the Home Company, was present and addressed the club on the advantages of his system. He said it would cost Eugene about \$75,000 to install a system with 2000 phones. Mr. Phillips, of the Pacific States Company, said that his company would have the improvements completed here inside of sixty days, and after that the service would be as good as any on the coast.

Fish For McKenzie
An important matter was the report of the fish committee stating that 150,000 trout eggs had been shipped from Washington to be planted in the fish hatchery on the McKenzie river to restock this famous fishing stream. It was urged that all sportsmen attend the meeting of the club tonight to discuss the preservation of the county's fish and game.

Smaller Matters
B. Little Wells, representing the Sunset Magazine, was present and addressed the club on the matter of advertising in the magazine, presenting an elaborate scheme. The club authorized a contract for such advertising for Lane county.

The committee appointed to enlarge the billiard room reported two bids, one for \$250 and the other for \$170. The committee was instructed to report further.

The piano committee reported a majority in favor of purchasing a \$350 Mehlis, a minority favoring a \$500 Weber. A proposition was made by the Ellers piano house, of Portland, and the Stevens & Hullis house, of Eugene, whereby the Weber would cost the club only \$350, and the Weber was ordered.

The club endorsed the Buecel entertainment course and the arts and crafts organization in this city.

Sugar Beets

Manager Hartog presented reports on the analysis of the samples of sugar beets sent from here to California, and a committee was authorized to investigate the matter of securing a sugar factory.

The result of the analysis of the beets sent from here are as follows: Sample grown by P. Casperson, 14.6 per cent sugar; by W. P. Bradley, 16.8 per cent; L. B. Rossman, 18.1 per cent. The price paid by the sugar company is \$4 per ton for 13 per cent or less, and 25 cents a ton for each additional per cent, so that Mr. Rossman's beets would bring \$5.27 1/2 per ton and Mr. Casperson's \$4.40. The beets were analyzed by the Hamilton City (Glenn county) Sugar Co., whose own beets run as high as 23 per cent.

A letter from a firm in the East that wants to install a fruit and vegetable cannery here was referred to a special committee.

Advertise in Many Papers
Before the club meeting the board of governors met and authorized Manager Hartog to place classified advertisements of Eugene and Lane county in 20 Eastern newspapers, with a combined circulation of 3,508,000. The advertisements will run for four weeks.

NOTHING ELSE IS SO GOOD FOR YOUR STOMACH

DIAPYPSIN NOT ONLY DIGESTS
YOUR FOOD AND PREVENTS
FERMENTATION BUT CURES
ALL FORMS OF DYSPEPSIA AND
STOMACH TROUBLE BEFORE
YOU REALIZE IT.

Every family here ought to keep some Diapypsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you or what little you do eat seems to fill you or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of Indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapypsin and take one triangle after supper tonight. There will be no sour risings, no belchings or undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapypsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your pharmacist's waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dyspepsia or Indigestion.

DR. MARTIN PREACHES THOROUGH SERMON

The services last night at the
Christian church will long be remem-
bered by the large audience present.

The immense chorus has now
about seventy-five voices, and they
sing, too. Professor Hoggatt knows
how to lead them and his solo work
is exceptionally fine. No words at
this time can express the eternal
truth of Dr. Martin's sermon last
evening. With logic perfect and with
truth invincible he laid upon the con-
science of men and women the
mighty teachings of God's word. Dr.
Martin is not afraid of facts; and as
every reasoning heart is compelled to
admit that the Old Book, the Bible,
meets with no uncertain ring in the
hands of this competent evangelist.

Nine have already responded to the
Gospel invitation. Indeed, interest is
growing intense and people are

waiting for the next issue for a list
of subjects for the remainder of the
week. Come before 7:30 this evening
and get a good seat. Something doing
every moment. You can't afford
to miss a single minute.
