John Hoey has been sold by the Boston Americans to the Baltimore club of the Eastern league.

Tod Sullivan says that Ty Cobb is the greatest ball player in the world today. They are all great today as the season doesn't begin until April.

* * *

Ball players are playing the marriage game to a standstill this winter, which is a mighty fine thing. Baseball news is scarce during the "benny" days.

* * *

Manager McAleer of the St. Louis Browns, will give a trial to Paul Cobb, brother of the famous Tyrus. Jimmy signed Paul because Jack O'Connor said he wouldn't do.

Martin, the little brother of Pitcher Ed Walsh, will be given a chance to display his ideas of the national pastime with the Chicago White Sox next spring.

Mike Kelly will manage the St. Paul team and Tim Flood will be the captain. That combination is enough to start something on any ball field in the American Association.

When you come to think of it everyone gets an even break at one time or another. St. Paul has the champion boy trap shooter and Mobile has the champion boy trap shooter.

Next season Philadelphia will be the only major league city not having a manager on the field in uniform. Smooth up there a bit, Messrs. Mack and Murray!

MISSIONARY'S WIFE PRAISES CUTICURA

Daughter's Head Encrusted with Dandruff—Feared she Would Lose her Hair—Many Treatments were Futile—Baby had Milk-Crust.

BOTH CHILDREN CURED BY FAMOUS REMEDIES

"For several years my husband was a missionary in the Southwest, and we were living on the edge of the desert at an elevation of nearly five thousand feet. Every one in that high and dry atmosphere has more or less trouble with dandruff and my daughter's scalp became so encrusted with it that I was alarmed for fear she would lose all her hair, which was very heavy. After spending between five and six dollars for various remedies, in desperation I bought a cake of Cuticura Soap and a box of Cuticura Ointment. After rubbing the Cuticura Ointment thoroughly into the roots of the hair, I gently combed the crust of dandruff free from the scalp, and then gave her head a thorough shampoo with the Cuticura Soap. This left the scalp beautifully clean and free from dandruff, and after the hair was dry, I again rubbed the Cuticura Ointment, this time sparingly, into the roots, and I am happy to say that the Cuticura Remedies were a complete success. My troubles with dandruff were over, although for a long time afterward I used the Cuticura Ointment as at first, after shampooing, which kept the scalp and roots of the hair moist. I have used successfully the Cuticura Remedies for so-called 'milk-crust' on baby's head, and have never found anything to equal them. You are at liberty to publish this letter, for I do sincerely believe that the Cuticura Remedies are a blessing to mankind. Mrs. J. A. Darling, 310 Fifth St. Carthage, Ohio, Jan. 20, 1908."

Cuticura Ointment is one of the most successful curatives for torturing, disfiguring humors of the skin and scalp, including loss of hair, ever compounded, in proof of which a single anointing with it, preceded by a hot bath with Cuticura Soap, and followed, when necessary, by a mild dose of Cuticura Resolvent (liquid or pills) is often sufficient to afford immediate relief of itching, burning and scaly humors, eczemas, irritations and inflammations, permit rest and sleep, and point to a speedy cure when all else fails.

Sold throughout the world. Potter Drug & Chem. Corp., Sole Props., Boston, Mass.

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Red Banks, Miss.—"Words are inadequate to express what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from a female disease and weakness which the doctors said was caused by a fibroid tumor, and I commenced to think there was no help for me. Lydia E. Pinkham's Vegetable Compound made me a well woman after all other means had failed. My friends are all asking what has helped me so much, and I gladly recommend Lydia E. Pinkham's Vegetable Compound."—Mrs. Willie Edwards.

Hampstead, Maryland.—"Before taking Lydia E. Pinkham's Vegetable Compound I was weak and nervous, and could not be on my feet half a day without suffering. The doctors told me I never would be well without an operation, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors, and I hope this valuable medicine may come into the hands of many more suffering women."—Mrs. Joseph H. Dandy.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
