

S.S.S. NATURE'S CURE FOR BLOOD POISON

S. S. S. is known as Nature's Cure for Contagious Blood Poison because it is prepared entirely from the blood purifying and healing extracts of roots, herbs and barks taken directly from the natural forests of the land. It does not contain the least particle of strong mineral ingredients, and is so prepared as to aid in the upbuilding of every portion of the system, while driving Contagious Blood Poison from the blood. No unpleasant effects ever follow the use of S. S. S., such as stomach troubles, dyspepsia, mercurial rheumatism, etc., as is so often the case where other medicines are used. S. S. S. goes down to the very bottom of the trouble and gently but surely drives out every trace of the disease, cleanses and purifies the circulation, and by its fine vegetable tonic effects, assists the system to rapidly overcome the ravages of the disease, and regain its natural healthful condition. S. S. S. does not cover up or hide the symptoms for awhile, to break out later, but so thoroughly does it remove the cause that no signs of the trouble ever return. S. S. S., Nature's cure, is the surest and safest remedy for Contagious Blood Poison. Home Treatment Book with valuable suggestions and information, and any medical advice free to all who write.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys must, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., P. O. Box 539, Rte. 1, Lyons, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

CHICHESTER'S PILLS

THE GREAT KIDNEY PILLS

Do not ask for a cheap substitute. The name is on the wrapper. Take one or two pills three or four times a day. Sold by druggists everywhere.

PRESIDENT HELPS ORPHANS.

Hundreds of orphans have been helped by the President of the Industrial and Orphan's Home at Mason, Ga., who writes: "We have used Electric Bitters in this institution for nine years. It has proved a most excellent medicine for Stomach, Liver and Kidney troubles. We regard it as one of the best family medicines on earth. It invigorates the vital organs, purifies the blood, aids digestion, creates appetite, to strengthen and build up this pale, weak, dried or run-down people. It has no equal. Best for female complaints. Only 50c at W. A. Kuykendall's."
