

Stomach, Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale-people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach. A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

LAST FOUR WEEKS OF GREAT VOTING CONTEST WILL BE INTERESTING

MISS MARY BARTLETT.

One of Springfield's popular young ladies who is making a splendid showing in the Exposition Voting Contest. She hopes to win the trip in District No. 3, and will make an effort to secure one of the grand prizes which go to the candidate securing the highest number of votes in the county.

There are just four weeks more of the great exposition contest to decide by popular vote who the nine young ladies shall be to go to Seattle to represent Lane county. All this week the great special offer of votes will be in force, closing February 6. During that time all yearly subscriptions to the Daily Guard will count 2000 votes, and Weekly subscriptions 1000. And in order to assist the candidates in securing business a splendid premium wall map of six pages (three sheets) will be given all subscribers who pay in advance or Weekly or Daily mail subscribers, will be given the Weekly Oregonian free of charge if they prefer that paper to the premium map. The splendid premium offers make The Guard the cheapest paper of its class in the Northwest, and are sure to help the candidates who are working to enlist the assistance of their friends. This is the time to do effective work while the great special offer of votes is in force, because the most active candidates at this time are likely to be the winners in the end.

SOME SIDE TRIPS FOR GUARD'S PARTY

Probably the most beautiful of all water trips on Puget Sound is a trip through the San Juan islands. In the summer season the excursion boats make the round trip from Seattle in a day, but a week could be well spent in sight-seeing for the tourist who has plenty of time. The islands have much historic interest. It was on San Juan where the English flag last floated over American soil and the old blockhouse and stockade are still standing. A trip to Mt. Constitution is well worth the time and several days could be spent in fishing in the lakes and hunting about the islands.

A trip of a day down the strait of Juan de Fuca to the Pacific Ocean would no doubt appeal to the visitors to the exposition from inland towns and cities. Steamers leave Seattle daily for Port Townsend, Port Angeles, Dungeness, Port Williams, Callam, Neah Bay and other points of interest. In the Olympic mountains, about sixteen miles from Port Angeles, is Lake Crescent, where the fishing is unequalled. The steamers make connection with the stage lines at Port Angeles carrying passengers direct to the hotel. The open season for hunting big game comes before the close of the exposition and guides and outfits can be secured at Port Angeles.
