WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Eugene women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Eugene woman's words:

Mrs. L. E. Abbott, 484 Pearl St., Eugene, Ore., says: "Last winter I was taken down with a bad spell of kidney complaint and my back became so weak and lame that I could hardly move. I took various remedies but did not derive any benefit. Finally Doan's Kidney Pills were recommended to me by a friend and my husband procured a box at DeLano's drug store. They proved to be all aid more than is claimed for them. As I used them, the pains and weakness left me and my kidneys were strengthened. I consider Doan's Kidney Pills the best remedy of its kind on the market."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y. York, sole agents for the United States.

Remember the name—Doan's—and take no other.

KASPARILLA

This sterling household remedy is most successfully prescribed for a "world of troubles." For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthful activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value. If it fails to satisfy we authorize all dealers to refund the purchase price. HOYT CHEMICAL CO., Portland, Oregon
