GATENS TO BE FIFTH MULTNOMAH JUDGE

Statehouse, Salem, Feb. 12.—W. M. Gatens, private secretary to Governor Chamberlain, is to be the fifth Multnomah County Circuit Judge, the bill for increasing the number of judges has passed both houses and gone to the governor for probable immediate signature. The appointment holds good until a year from next November. There was not a dissenting vote in the senate against the bill late yesterday afternoon. Multnomah county senators claimed the work is congested and that an emergency existed. Gatens is an Oregon-born man, about 40 years old. He got his principal experience in Governor Chamberlain's office, and has been his private secretary for six years.

"Your only hope," said three doctors to M. M. E. Fisher, Detroit, Mich., suffering from severe rectal trouble, "lies in an operation." "Then I used Dr. King's New Life Pills," she writes, "and I was cured." They prevent Appendicitis, cure Constipation, Headache, 25c at W. A. Ryland's.

NOTICE

The Morris Music House is the only representative we have in Oregon handling the Trowbridge piano. The Trowbridge piano now being offered at a reduction in Eugene is not the same piano handled by the Morris Music House, as they handle the largest-sized piano only, which is a higher priced instrument.

TROWBRIDGE PLANOS

Mr. Editor:—I am representing the Trowbridge Piano Company in Eugene, because I have a lot of their pianos. I notice that my money looked awful good to them and they were glad to get it. Now I will sell you a Trowbridge piano for \$250 as large as the largest one they make—their statement to the contrary notwithstanding. Some other excuse will have to be found to justify the extortionate prices charged for these same goods heretofore. Is a big watch worth more than a small one, even of the same make?

P. S.—Do you think it wise for me to publish the wholesale prices for the very best Trowbridge & Mehlin Pianos? I can do it, and maybe I will if—
F. A. RANKIN.

Telephone Subscribers' Notice.

Owing to the many improvements in the way of installing additional sections of switchboard in the central office, and the cutting over of the same; also the outside cable, good service will be maintained under serious difficulties. We trust that the subscribers will be patient with us until the work is finished, which will be within a short time. Upon completion of the work, a new directory will be issued immediately, covering changes in number, etc.

Soldier Barks Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe Colds, obstinate Coughs, Hemorrhages, Asthma, and to prevent Pneumonia, it is unrivaled. 50c and \$1.00. Trial bottle free. Guaranteed by W. A. Ryland.

All electric light and gas bills that are now unpaid must be paid at the office by the 15th of the month or the service will be disconnected. 214

STEWART OPERATED AT ROSEBURG, TOO

Roseburg, Feb. 11.—The man who forged the check signed Dodson at this place and who stole the team here and forged a check on the Myrtle Creek bank, is now serving a 30 days' sentence in the Jacksonville jail for stealing a set of plumbers' tools at Ashland. He gave the name of Willson there. He also got in a little work at Eugene, where he gave the name of Stewart. He was identified by John Ryan of this city, who will take him, when his time is served at Jacksonville, on a charge of forgery and a half dozen other minor charges.

UNITY ITEMS.

(Special Correspondence.)
Unity, Feb. 9.—The weather is somewhat changeable from snow, showers and rain.

Rev. Pustion held a few days' revival services last week. The attendance was small on account of sickness and rough weather.

O. W. Humphrey who has been ill for some time was taken to town today to have an operation performed for an abscess on the liver.

The Booth-Kelly Co., has resumed operations at their logging camp near the mouth of Winberry Creek. They will probably log there all this summer.

Ernest Nelson is making preparation to start to his old home in Sweden in order to take his son Andrew, who got hurt in the logging camp about two years ago. He received a fracture of the skull and it affects his nervous system in such a way that he is almost an invalid.

Our school is progressing nicely with Miss Grace Sailer as teacher.

Ira D. Hyland has sold his farming and timber land to Wilbur and Ernest Hyland and will probably move to eastern Oregon some time next summer.

Miss Ina Humphrey, who is teaching school in Washington and her sister Anna, have returned to the bedside of their brother, O. B., who is very sick at this writing.

There is a move on foot to organize a company of thirty persons in order to build a first-class telephone line from here to Springfield with two lines on the same pole, which ought to receive liberal support.
