SCHOOL BOY TO ENTER RIFLE CONTEST

National Rifle Association An-
nounces "Interschol-
astic Match"

(Guard Special Service.)
Washington, D. C., Feb. 20.—An interesting competition for school-boys has been arranged by the executive committee of the National Rifle Association. It will be known as the "International Scholastic Rifle Match" and will be for the Inter-School Gallery Championship of the United States, to be shot this year for the first time. The match will be shot on the galleries of the various schools which enter, the shooting taking place on any date between April 12th and 24th. It will be open to teams of ten pupils from any public school, preparatory high school or private school, not conferring degrees. Where the school has a club affiliated with the National Rifle Association an entrance fee will be charged. Other schools may enter teams on the payment of \$2. The distance will be fifty feet and the N. R. A. target with a one-inch bullseye will be supplied by the N. R. A. Each string will consist of five shots and ten shots will be fired in a standing position, and ten in a prone position, with two sighting shots for each position. Any .22 caliber rifle may be used which has sights of the hammer; any ammunition may be used. The competition is open to bona fide scholars only and a certificate to this effect must be filed with Lt. Albert S. Jones, secretary of the N. R. A., Washington, D. C., which organization will designate a judge to represent it at each school. The prize will be a handsome new "Championship Trophy," to be held by the winning school for one year, and medals to the individual members of the teams. The National Rifle Association now has affiliated with it about thirty-five school-boys clubs all of which are expected to enter the contest.

The Inter-Collegiate Rifle Match, for the 1909 Gallery Championship of the United States, will be shot on the local ranges at any time between March 15th and 27th. Targets will be furnished by the N. R. A. and the distance will be fifty feet. This match is also for teams of ten bona fide students, with twenty shots for record of which ten shall be shot standing and ten prone, two sighting shots allowed for each position. The National Rifle Association will appoint a judge to be present when each team fires. The conditions regarding rifles and ammunition are the same as for the school-boy match. The trophy is the Championship Trophy presented by the Forest, Fish and Game Society of the United States, to be held by the winning uni-

versity or college for one year and to become the permanent possession of the institution winning it three times. It was won in 1908 for the first time by Columbia University, of New York City. Colleges having clubs affiliated with the National Rifle Association will not be required to pay any entrance fee, but other teams will be charged \$2. Colleges which are eligible by reason of affiliation are: College of St. Thomas, (St. Paul) University of Nevada, University of Idaho, Washington State College, Marist College, Atlanta, Ga.; University of California, University of Pennsylvania, Delaware College, State University of Idaho, George Washington University (Washington, D. C.); Columbia University, Cornell University, Harvard University, Massachusetts Institute of Technology, and Yale University.

The Danmore hotel in Portland is to go out of existence. Rent of this property has been paid to March 1, but the owner of the property, E. M. Lazarus, insists that a rental of \$100 a month shall be complied with and Mr. Moore maintains that the figure is more than the property is worth.

MAKE RAPID HEADWAY.

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Eugene citizen.

Mrs. M. J. Drew, 295 E. Eighth St., Eugene, Ore., says: "I suffered from severe pains in the region of my kidneys and through my loins, at times extending into my limbs.

The action of the kidney secretions was so irregular as to plainly show that the kidneys were disordered. The claims made for Doan's Kidney Pills led me to procure a supply at Delano's drug store. I was surprised at the prompt relief received and in a short time my condition was greatly improved. Doan's Kidney Pills benefited me so greatly that I give them my strongest endorsement."
