WILL PUT ON STEAMER WHEN BAR IS IMPROVED

F. W. Carey, Frisco Lumber
Lumber Dealer, At Flor-
ence—Other Notes

F. W. Carey, the well-known lumber dealer of San Francisco, arrived here Sunday to look after his business interests in this section. Mr. Carey is heavily interested in property here and realizes something of what benefit it will be to the Stuslaw valley to have the bar improved so vessels can pass in or out of the river easily. He has been working hard to bring influence to bear on congress to induce that body to grant an appropriation for the work. He is strongly in favor of the harbor bonding plan and believes that any man who opposes it is working against his own interest. In conversation with Mr. Carey he informed us that when the bar is improved he will put on a steamer to run between this place and San Francisco. The vessel will carry freight both ways, including farm produce, and will be fitted up to accommodate passengers. This will give our farmers the opportunity which they so much need to ship their produce to market by direct and speedy route. It will give the ranchers access to the city markets, and enable them to ship out their surplus fruit and vegetables and receive returns for them in cash.

THANKS LEGISLATURE FOR PASSING SIUSLAW BONDING BILL

At the last meeting of the Stuslaw River Improvement Club, held at Florence, it was unanimously voted that the legislature of Oregon is entitled to much credit for its wise and patriotic action in passing the port bonding bill, which will facilitate the early and rapid commercial development of the Oregon coast country. The letter of thanks is as follows:

"To Mr. Flanders, of Portland, who drafted the bill; to Mr. Bean, of Lane county, who introduced and urged its passage in the house; to Mr. Chase, of Coos county, who performed a similar service in the senate, and to Messrs. Cushman and Kyle, of Florence, Or., who spent considerable time and money in guarding and fostering the measure, the people of the Stuslaw region and all their posterity owe a large debt of gratitude.
"The Stuslaw River Improvement Club would extend to all these gentlemen its hearty appreciation and thanks."

Soldier Barks Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kent, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds."
