**LA SALLE WINS FROM WEST**

Takes Two Out of Three Falls in Good Match Last Night

Joe LaSalle won the wrestling match at the theatre last night in the theatre in the best go yet seen in Eugene. West won the first fall with a toe hold and half Nelson in less than two minutes. LaSalle came back strong with a scissors hold, the first falling, and the second, after a long series of failures on the part of both to fasten grips on each other, in nineteen minutes of gruelling work. The third and last fall came after twenty-five minutes of severe work.

LaSalle seemed to win the third fall on superior strength. After the match West admitted that LaSalle was the best man. Joe also gave credit to his opponent for his fast, hard work, and said in his humorous fashion, "He hurt my toe in the first fall, and it still hurts."

Eugene Association Will Probably Follow Plans of Other Cities

The Y. M. C. A. will probably be another factor in local athletics, as soon as the building is once constructed and a director employed. In Salem and Portland the Young Men's Christian Associations are most im-

**Varsity Basketball**

The University will probably have a basketball team next year. With a new gymnasium the enthusiasts are already figuring what they will develop into. Among the freshmen this year are a large number of players who will grow into good men. With the large gymnasium will begin the effort to wrest from O. A. C. the championship honors that her team wins each year in basketball. In every other line the University has the better of the Farmers, but she has never been able to compete on equal terms in basket tossing, owing to poor facilities.

**Gans Defeats White**

Joe Gans, the famous colored ring-er, defeated Jabez White, the ex-English lightweight champion, in a ten-round go in New York last night on points. White was nowhere near the equal of Gans, though the negro did not show his form he once possessed.

The Western Canada League has been formed and teams will be placed in Winnipeg, Regina, Brandon, Moose Jaw, Medicine Hat, Calgary, Lethbridge and Edmonton.

Dick Breen, Portland's new second baseman, was in uniform yesterday at San Luis Obispo, Cal., and although he was sick with a cold, and travel-tired, he showed up in good form. Breen handles himself like a baseball player who knows his business. In filling Pearl Casey's shoes he has his work cut out for him, and his work around second will be watched with interest by the fans, especially those who feel that McGredie's Coast League team will be weak without the old second baseman.

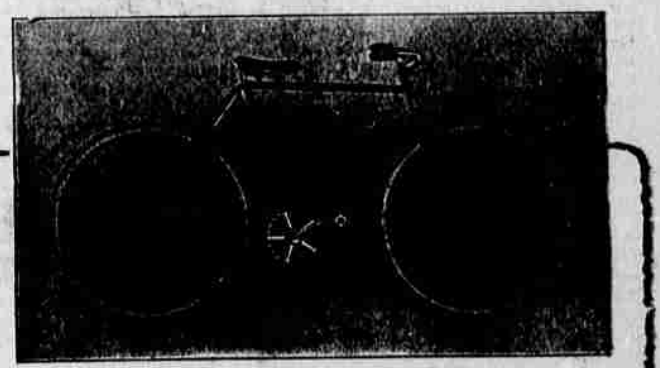

The opening and closing dates of the big leagues, with the number of scheduled games, is as follows: National League opens April 14, closes October 7; 156 games; American League, opens April 12, closes October 4; 154 games. Eastern League, opens April 21, closes September 15; 154 games. American Association, opens April 14, closes September 27; 168 games. Southern League, opens April 15, closes September 18; 149 games. Pacific Coast League, opens March 30, closes October 31; 200 games. Pacific Coast League, opens 29, closes September 28; 154 games.

Second street in The Dalles, the principal business street of the city, will probably be paved this year.

**FERMENTATION UNDIGESTED FOOD CAUSES MISERY**

GET YOUR STOMACH IN GOOD ORDER AND REMOVE THE DREAD OF EATING SOMETHING WHICH WILL UPSET YOU—DIAPEPSIN WILL RELIEVE STOMACH TROUBLE IN FIVE MINUTES.

Some people think they have indigestion, others Catarrh of the Stomach, others Nervousness, Cancer or Dyspepsia, etc. Call it this if you will, but the real name for your trouble is Food Fermentation, with only partial digestion. Everything you eat turns to either Acid, Stomach gas or Stomach poison, which weakens the digestive organs, causing a lack of gastric juices. Your food sours, is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, burning sensation, a feeling of vomiting, heartburn, water brash, and tenderness in the pit of the stom-

ach, slimy tongue, bad taste in the mouth, constipation, nausea, belching of gas, dizziness, sick headache, mental depression and many other common symptoms. You can cure all this by not eating, by not putting any food in your stomach to ferment; but how about the nourishment needed to sustain your bodily strength? If you are a stomach sufferer, either man or woman, young or old, whether you call it indigestion or any other name, go now to your druggist and give 50 cents for a case of Pape's Diapepsin. Every possible kind of Stomach trouble is readily cured by Diapepsin, which takes right hold of the food in your Stomach and digests it alone, without the help of the stomach, just as if your stomach wasn't there. After a few days' use of Diapepsin your Stomach will again be in good working order, your meals will thoroughly digest and your intestines will be clean and fresh, and you will have no use for laxatives or liver regulators.

This sterling household remedy is most necessarily prescribed for "world of troubles." For derangements of the digestive organs it is a natural corrector, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthful activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to these unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value. If it fails to satisfy we authorize all dealers to refund the purchase price. HOYT CHEMICAL CO., Portland, Oregon.
