MULTNOMAH WINS MEET

Pullman Wrestlers Take One Out of Six Matches

The wrestlers representing the Multnomah Amateur Athletic Club in the tournament with the Washington State College grapplers won five out of six matches at the Multnomah Club's gymnasium last night. Calkins was the only visitor to score, and he received a decision over Will King, of Multnomah, at the conclusion of their bout.

Saturday the collegians meet the Oregon Agricultural College at Corvallis.

College Mat Champions

New Haven, Conn., March 19.—Some of the best amateur wrestlers seen in several years were among those who gathered in New Haven today to take part in the mat contests which will determine the championships of the intercollegiate wrestling league. In the institutions represented in the league are Columbia, Yale, Princeton, Cornell and the University of Pennsylvania. The program provides events for each class, from featherweight to heavyweight.

Cable Chess Match

Princeton, N. J., March 19.—Devotees of chess filled Alexander Hall at Princeton University this afternoon to witness the preliminaries in the university cable chess match, the play in which will be continued and concluded tomorrow. The contest is for the title trophy and is between Oxford and Cambridge on the one side and an American team representing Princeton, Pennsylvania, Columbia, Brown, Harvard and Yale.

All Outpoints Klines

New York, March 18.—Abe Attell, the featherweight pugilist, easily outclassed Patay Klines, of Newark, N. J., in a ten-round bout here tonight.

Tid-Bits

Jesse Garrett joined the Portland team at San Luis Obispo yesterday. There are just three of the expected members of the team who are not there now—Murray, Ryan and Shinn.

All entries in the big "Oregon Marathon" are hard at work training for the race March 26.—Up to date Alfred Dorris, of the Multnomah Club, is touted to win.

University of Michigan sports have banded together to "keep up" the star athletes in their studies. Each member of the club has been appointed guardian of an athlete, who will be tutored up when he falls behind in class work.

Three Portland physicians are planning to use the coming Oregon Marathon as a medical experiment. They are Dr. J. H. Bristow, Dr. W. P. Amos and Dr. H. M. Green. The three medics will examine each of the runners before the contest. If any are found whom they think should not undertake the strain, he will not be allowed to start.

Manager McCreedie has handed Pitches Gray and Frarraris, and outfielder Garrity their little blue envelopes. The three men released by McCreedie have been thoroughly tried out, and with the exception of Frarraris they showed nothing.

WEAK KIDNEYS MAKE WEAK BLOOD.

Kidney Diseases Cause Half the Common Aches and Pains of Eugene People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys and when their activity is lessened the whole body suffers from the excess of uric acid circulating in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ailment and Eugene cures are the proof.

A. J. McKinney, of 69 Lawrence St., Eugene, Or., says: "For several years I had attacks of kidney troubles and as time passed grew worse. I had backache and more or less trouble with the kidney secretions. Doan's Kidney Pills which I procured at De Lano's drug store, brought me relief from the first, soon eradicated the backache and made me feel better and stronger. You can refer to me as one who has used Doan's Kidney Pills with good results. Other members of my family have found just as great benefit from their use."

For sale by all dealers. Price 50 cents. Foster-Lilburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

JUNCTION MAN COMPLAINS OF FREIGHT OVERCHARGE

Salem, Or., March 18.—N. B. Alexander, of Junction City, through his attorneys, Evans & Coon, of Portland, has made complaint to the railroad commission regarding an alleged overcharge on shipments of wood from Junction City to Portland. On November 7, R. B. Miller, general freight agent of the Southern Pacific, quoted Alexander a rate of 2.62 1/2 per cord on oak wood in carload lots, but when Alexander shipped his first carload the railroad billed and collected for the shipment at the rate of \$4.30 per cord.
