

Hood's Sarsaparilla

Has cured so many cases that seemed almost beyond the reach of medicine, that people ask, Why?

An examination of our well-known formula, from which Hood's Sarsaparilla is and always has been carefully and scientifically prepared, confirms the fact that it contains those well-known and valuable medicinal ingredients, which, when intelligently combined and properly administered, are sure to bring about good results.

It is the properly balanced proportion, combination and process in combining those ingredients known to have specific action upon the blood, stomach, liver, kidneys and bowels, which make Hood's Sarsaparilla peculiar to itself and enable it to produce results unequalled by any similar medicine. It cures when others fail. Give it a trial.

Usual form, liquid, or in tablet form called Sarsatabs, 100 Doses \$1.

RAT STORY FROM COTTAGE GROVE

Mr. Kelly, father-in-law of Henry Wood, who lives in the vicinity of the West Cottage Grove public school, has been annoyed by rats about his premises recently. He accordingly baited and set a small steel trap and the first night caught a large wood rat. He set the trap again and the next morning, to his surprise, he had five half-grown rats entrapped, some by the front legs, some by the hind legs and some by the tails. It is thought that the trap trigger was hard to spring and did not trip until the whole bunch of youngsters were gnawing at the bait, when the five were trapped. Mr. Kelly has not been troubled with rats since his big haul. — Leader.

S.S.S. CHRONIC ULCER CURES

Any chronic ulcer shows an unhealthy and impure condition of the blood. It is a diseased condition of the flesh at that particular spot and kept inflamed and irritated by a continual discharge into healthy matter from the circulation. No treatment can have any effect except a medicine which will renovate the blood and destroy the cause. Salves, washes, lotions, etc., are sometimes helpful in inflammation, cleansing the ulcer, or perhaps lessening the discharge, but applications do not reach the blood where the disease germs are and can never effect a cure. S. S. S. goes down into the blood, drives out all impurities and morbid matter, and by nourishing with rich pure blood causes the place to heal naturally and permanently. S. S. S. does not make a surface cure, but by beginning at the source, rebuilding broken-down tissue, and supplying healthful, healthy blood, causes the place to fill in with new, firm flesh, which but surely effects a permanent cure. The ulcer can not exist where the blood is pure, and S. S. S. will thoroughly purify the blood. S. S. S. and Ulcers and any medical advice free to all who write.
