RACYLE ENDORSED BY ONE WHO KNOWS

Eugene Gun Company, Eugene, Oregon.
Dear Sirs:—
Permit me to express my satisfaction with the "Racyle" wheel I have just purchased from you.
I have owned and ridden bicycles ever since the days of the high wheel Columbias. I have used high-grade wheels like the "Humber," "Columbia Chainless," "Spaulding Road Racer" and others, and have never owned a wheel that compared, in my mind, to this "Racyle" I am now using. I belong in the heavyweight class—215 lbs.—and a wheel that has the ability to stand hard usage, and I believe I have found it in this wheel.
For easy running qualities, and good workmanship, it is the best wheel I have ever owned. The front spring fork and the "Racyle" handle, such as I have on my wheel, make an ideal combination for a heavy rider.
I used to think Eugene sidewalks were pretty fierce to ride on, but I cannot find the bumps any more since I have taken to riding a "Racyle." Please put me on your list of "boosters" for the "Racyle," and refer any one who wants to talk to an enthusiastic owner to me.
Yours very truly,
M. J. DURYEA.

REAL ESTATE ACTIVE AROUND MONROE

Monroe, Or., April 2.—Farrand Brothers have disposed of their 500 acre farm to Julian McFadden of Corvallis. M. Wilhelm has sold his ranch, south of town, to a Corvallis company, which has been formed to invest in land for orchard purposes. N. Miller has transferred title to his stock ranch to a Mr. Ross, a recent arrival, and in a few days some 800 or 1000 acres belonging to A. Wilhelm, Sr., and A. Persinger, are liable to have new owners, as the same orchard company that purchased the M. Wilhelm ranch is investigating these properties.

The question was debated without regard to local qualifications, this qualification being made beforehand.

FRANKLIN ORGANIZES COMMERCIAL CLUB

On Tuesday evening the Franklin commercial club was organized with a charter membership of 18. Mr. Proctor, Sr., was elected president; Dr. White, secretary and J. A. Richardson, treasurer.
A committee of three, N. J. Bryant, Dr. White and A. S. Cheshire, were appointed to confer with the railroad company as to what will be required of farmers along the proposed route of the electric railway. The Smithfield people are very enthusiastic over the prospect of a railroad and are determined to look out for their own interests and will do all in their power to assist in its construction.—Franklin Correspondence in Junction City Times.

Disease Germs—Our Danger Pure Blood—Our Defence

Disease germs assail us on every hand and at all times, when we are awake and when we are asleep. We cannot get away from them; but if our blood is pure they cannot harm us.

Your blood is not pure if you have any blood disease or ailment—scrofula, eczema, eruption, catarrh, rheumatism.
Nor is it pure if you are pale, weak, nervous, or are troubled with loss of appetite, or general debility. You can purify it, you can enrich it, you can make it of the right quality and quantity, by taking Hood's Sarsaparilla, or there is something peculiar or extraordinary in your case.
This great medicine probably has accomplished more than any other ever produced, in purifying and enriching the blood and curing all blood diseases and ailments and all run-down conditions of the system. 40,366 testimonials by actual count, received in two years—about 65 every working day.

Four Generations Owe Their Health to Hood's.
"I am a strong and vigorous woman of 80. This happy condition I ascribe to Hood's medicine."
"My eldest daughter, aged fifty-two, has just passed safely through a critical period with the help of Hood's Sarsaparilla."
"To her, daughter of twenty-eight years, burdened with maternal and household cares, Doctor Hood and his remedies are almost daily, most efficient aids."
"Her little girl of six summers, finds in Hood's Sarsaparilla a cure-all for childhood's ailments."
"My descendants and myself represent the four seasons of the year, viz:—Spring, Summer, Autumn and Winter, and we find Hood's Sarsaparilla equally efficacious at all seasons of the year and of life." Mrs. Mary Smith, 37 Military St., Fond du Lac, Wis.

Hood's Sarsaparilla effects its wonderful cures, not simply because it contains sarsaparilla, but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination. These ingredients are the very remedies that successful physicians prescribe for the same diseases and ailments. There is no real substitute for Hood's Sarsaparilla. If urged to buy any preparation said to be "just as good," you may be sure it is inferior, costs less to make, and yields the dealer a larger profit.

Begin taking Hood's Sarsaparilla today. Get it in the usual liquid form or in chocolate tablets known as Sarsatabs. 100 Doses One Dollar.

KASPARILLA

This sterling household remedy is most successfully prescribed for a "world of troubles." For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthful activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value. If it fails to satisfy we authorize all dealers to refund the purchase price.
