Mr. Roach is an accomplished musician, a clarinet player in the Eugene Military band, and also a teacher of music of note. The new firm will be greatly benefitted by the late acquisition. The firm will be known as Lawrence & Roach.

Portland, Oregonian.—Almost seized by a flying gas heater door, Colonel James Jackson, United States army, retired, is at present confined to his home suffering from severe burns. Late on Saturday evening Colonel Jackson noticed that the pilot light of his gas heater, used for the bathroom, was extinguished, and failed to observe that the cavity in which the light burned had become full of gas. He lighted a match and the resulting explosion hurled the iron doors off their hinges, and a sheet of flame seized the forehead and eyes of the Colonel.

Yesterday while Lloyd Mynatt was fishing in Elk Creek, two miles south of Cottage Grove, two men or boys on Drain hill, about 600 yards
