THE RINGLING CIRCUS WILL ALSO APPEAR HERE

Biggest Show of All Will Come to Eugene Late in the Season

Arrangements have been completed for the appearance in this city late in the season of Ringling Bros. Circus. This show makes the entire west this year, bringing the splendid organization that is now drawing delighted crowds to Madison Square Garden in New York City. Never in the history of amusements has such a hit been made as the Ringling Brothers have made in the Eastern metropolis. Their circus is by all means the best they have ever presented and the immense garden has been too small to hold all who have sought admission. When the Ringling Brothers reach this city they will present exactly the same show that is now surprising the East. This is the only show of any consequence that will be seen here, and as everybody knows, it is well worth waiting for.

The New York papers in commenting upon the opening at the garden, without a single exception, declare the show to be the best that had ever been seen here.

S.S.S. CURES BLOOD POISON

When the blood becomes infected with the virus of Contagious Blood Poison, the symptoms are soon manifested. The mouth and throat ulcerate, copper-colored spots appear, a red rash breaks out, the hair begins to come out, and usually sores and ulcers show themselves on different parts of the body. At the first sign of the disease S.S.S. should be taken, for the tendency is to work down and attack the bones and nerves, and sometimes it makes a complete physical wreck of the sufferer. The disease can make no such headway if S.S.S. is commenced and used according to directions; its progress can be stopped, the poison removed, and health preserved. S.S.S. goes into the blood and removes the insidious virus, cleanses the circulation and makes a complete and permanent cure by driving out the cause. S.S.S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and eruptions, and S.S.S. has thoroughly purified the circulation no trace of the disease is left. S.S.S. is a purely vegetable remedy, cures Contagious Blood Poison because it is the greatest of all blood purifiers, blood and proven for more than forty years. One treatment book and any medical advice free to all who write.
