OREGON CAPTURES GAME

Alco Club Almost Makes Garrison
 Finish—Score 5 to 4.

Albany, Or., April 15.—The University of Oregon baseball team began its Oregon-Washington trip by winning a fast game from the Alco club in this city this afternoon, by a score of 5 to 4. Oregon led 5 to 0 until the last half of the ninth, when Albany started a batting rally which almost brought victory. In that inning, Albany made three runs and had two more men on the paths with only one out, but a fast double play by Coleman and Clark disposed of the game.

The score:
 R. H. E.
 Oregon 5 8 7
 Albany 4 3 4
 Batteries: Henkle and Word; Salisbury and Driver.

Springfield Ball News.

The baseball boys and the fans especially were much pleased Sunday when it came time to play the game, by finding a good supply of score-cards, with a full line-up of the teams in their batting order. The cards were gotten out and paid for by O. W. Johnson, the hardware and furniture man and while they were an advertisement for Mr. Johnson, they were nevertheless appreciated. Mr. Johnson made a contract with the local printer to furnish cards for every game during the entire season.

The suits for the baseball team at last arrived and the boys will wear them next Sunday. They will be initiated while defeating Coburg. The suits are a dark green trimmed in white with the large letter S. on the front of the shirts.

Other Notes.

Trainer Hayward will spend some time at McMinnville during the next week. Eberle Kuykendall will tend to the track needs of the Baptists after May 1.

Paul Reid followed his track team mates to Portland last night. He has a job on a nearby farm during vacation and won't stay long in Portland.

The Nemith ball team, which will represent Cottage Grove in the lists of the diamond this season, has received their suits consisting of blue stockings, belts and caps, with the balance white. "Nemith" appears across the jersey in blue letters. A game is being arranged for Sunday. The boys are practicing every night and with available material for players, a fine showing will be made this season.

ODDS AND ENDS.

Jim Stewart and Ed Casey have

been matched to box at Bridgeport, Conn., April 28.

Jem Driscoll, who is in London, says that he has no intention of settling in America, as reported.

Billy Lander, lightweight champion of Canada, and Jimmy Potts, of Minneapolis, will meet at Calgary April 28.

Kip Seibach, the old major leaguer, is on the water wagon. He has retired from the game and purchased a spring water plant.

The Ohio and Pennsylvania leagues have arranged a schedule calling for 126 games, with May 6 and Sept. 11 as the opening and closing dates.

President Dreyfuss, of the Pittsburgh Pirates, says the "Black Hand" causes him no worry, but Honus Wagner's "bum hand" has his goat. Vyskocil, the Kansas City player, will have to sit down. There's nothing to that Vyskocil name now that one Wojanewicz has joined the Burlington, Iowa, team.

Proof has been furnished by Manager McAleer that "Rube" Waddell was with the Browns in Texas, during the time that Chief Crazy Snake was so active in Oklahoma.

Merkle, of the Giants, says that he doesn't mind being roasted by major league fans, but when he is called "home head" out in the bushes it certainly arouses his anger.

Manager Percy Stetter has seventy men under contract for his Trenton team in the Tri-State league. Percy has to release only fifty-four of them in order to pick a winning team.

Jack Dunn must have a pretty fast team in Baltimore. Holding the New York Giants to a 3 and 3 tie two games in succession shows that the Orioles know some baseball.

Alec McLean has a thousand dollars in real money to bind a challenge from Sandy Ferguson to meet

any heavyweight in the world. And no color line in the defy at that. George Moriarty, the former Highlander who is now with Detroit, is a writer of poetry and songs. Well, Ho-Jennings needs some new music for coaching purposes and George Moriarty would look just lovely in poetry.

TEXAS STARTS SEASON.

Houston, Texas, April 17.—Under conditions pointing to the banner year in the history of the organization, the season of the Texas League was opened today, to continue until September 6. The teams lined up for the opening games as follows: Oklahoma City at Dallas, Shreveport at Fort Worth, San Antonio at Galveston and Waco at Houston.

Boston, Mass., April 17.—Monday, the Boston Athletic Association's thirteen annual Marathon race will be held over the no-famous 5-mile course from the little village of Ashland into the B. A. A. clubhouse in this city.

A HELPING HAND.

Is Gladly Extended by a Eugene Citizen.

There are many enthusiastic citizens in Eugene prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. W. D. Wood, formerly of 285 W. Eighth street, Eugene, Ore., says: "I have used Doan's Kidney Pills with fine results and also have given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a tired, restless feeling which made life a burden. Doan's Kidney Pills, procured at Delano's drug store, soon relieved me of these annoyances and I do not hesitate to recommend this remedy to other persons similarly afflicted."

JAMES J. JEFFRIES AS HE APPEARS IN TRAINING.

James J. Jeffries, the undefeated heavyweight pugilist, has completed rigorous training both indoors and on the roads with his daily boxing bouts on the stage. This lively routine already is asserting itself in the appearance of the big Californian, and he is rapidly rounding into fighting shape. The accompanying photograph taken in Boston recently shows a good idea of the condition Jeffries is in.
