NEW CITY HALL MAY BE BUILT NEAR S. P. DEPOT

Mayor Matlock Favors Site There if It Can Be Procured

Mayor Matlock is favorable to the plan of locating the new city hall on the quarter block bounded by Willamette and Fifth streets and the railroad grounds, opposite the Griggs hotel property. Of course, this would depend largely upon the ability of the city to purchase the property at a reasonable figure. The mayor's idea is that if the hall was located on the Fifth and Willamette corner the remainder of the property might be parked in conformity with the depot grounds, adding materially to the appearance of the city by removing all the unsightly structures in that vicinity, and Eugene would undoubtedly be the most attractive city in the west, viewed from its passenger depot. It is certainly a plan worthy of serious consideration.

There has also been a suggestion made that when the question of city bonds is submitted to a vote of the people in the near future, that several proposed sites, with the cost of each, be placed on the ballot, so that the people may express their preference, merely for the guidance of the committee having the matter in hand.

NYE BOY DIES FROM DOPED LIQUOR POISONING

Natty ("Speck") Nye, the fifteen-year-old boy who drank a quantity of whiskey, supposed to contain wood alcohol a few nights ago, died at his room at the People's restaurant this afternoon at 4:30 o'clock. The officers have a clue to the identity of the persons who furnished the liquor to the boy and there will doubtless soon be developments in the case.

Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength. An unequalled list of cures—40,366 testimonials in two years—proves its merit.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in the usual liquid form. Sarsaparilla has identically the same curative properties as the liquid form, besides accuracy of dose, convenience, economy—there being no loss by evaporation, breakage, or leakage. Sold by druggists or sent by mail. C. I. Hood Co., Lowell, Mass.

MARRIED

At the parsonage of the Christian church, April 21, 1909, at 3:30 p. m., Sidney F. Peck and Miss Augusta S. H. Nielsen, Rev. J. S. McCallum officiating.
