

LARGE PLANING MILL

AT COTTAGE GROVE

New Corporation Purchases a
Tract of Land—Other
Notes

F. L. Boxford & Co., Incorporated, have purchased a tract of land from J. I. Jones, the site formerly occupied by the Frederickson residence, on which this big Portland company will erect a large planing mill and wood working plant at a very early date. We understand they have also leased a tract of land from the O. & S. E. railroad company to be used for yards for the output of their new plant.

Mr. Boxford has been in this city for several days personally consummating this mill site and making all of the necessary arrangements for the establishment of the new plant which has already booked a number of very large orders for full delivery. As usual, J. I. Jones offered this big company liberal inducements to locate here and it is understood the Commercial club also showed some public spirit in the same direction. The big new plant will employ quite a number of men and will give Cottage Grove another regular pay roll.

News Notes.
Miss Lindy Welch, of Eugene, has been spending the Easter vacations with her grandparents, Mr. and Mrs. D. L. Woods, of this city.

W. H. Wiltsie and wife, of Eugene, were in the city Sunday, leaving Monday morning for the Clark properties at Bohemia, where they will spend several months.

Earl Hill and Earl Smiral returned from Tacoma the latter part of the week, where they had been working at painting. A strike in the painters union is anticipated this week, and the boys thought Cottage Grove was just as good in their line as Tacoma under these circumstances.

Mr. and Mrs. Frank Hampton, Austin Hampton and Ralph Dodson of the U. of O., spent Sunday with Mr. and Mrs. Gilbert H. Tyson. Frank Hampton, who had not been in our city for a few years, was pleased to see the rapid strides of progress and development made in that time. —Leader.

WE AIM TO SAVE TEETH.

This is the proper time of year to have your teeth cleaned out and plate and bridge work done.

If you have two firm teeth, we can attach a bridge without a plate, that

will fit perfectly firm and look exactly like the natural.

Nothing looks worse than missing teeth.

Our charges are most reasonable for the best grade of work.

We do no other kind.

Note the following low prices:

Gold crowns, \$5.00.

Bridge work, per tooth, \$5.00.

White crowns, \$3.50 up.

Gold fillings, \$1.00 up.

Silver fillings, 50c up.

Enamel fillings that look exactly like natural teeth, \$1.00.

Inlay fillings of all kinds, \$2.50 up.

I will make a nice set of teeth fully guaranteed for \$5.00.

My ten years of successful practice in Eugene is due to high grade work and reasonable prices.

All instruments thoroughly sterilized by an expert attendant, every time they are used so there is no danger of infections or disease.

All work fully guaranteed.
