

Medicines are Needed

Medicines, which we are not, medicines would be needed. But since our systems have been impaired and broken down through the generations, remedies are needed to correct our inherited and otherwise weaknesses. To reach the seat of stomach and consequent digestive troubles, there is a compound, extracted from native medicine, which has been used with great satisfaction to all users. For Biliousness, Liver Complaint, Pain in the Stomach after eating, Bad Breath, Belching of food, Chronic Diarrhea and other intestinal troubles, the "Discovery" is a time-proven and most efficient remedy.

It has on its wrapper the signature of Dr. Pierce's Golden Medical Discovery.

Do not afford to accept a secret nostrum as a substitute for this non-alcoholic, known composition, not even though the urgent dealer may offer a little bigger profit.

Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels, tiny granules, easy to take as candy.

OREGON DEFEATS PULLMAN

Clarke Knocked Home Run—Team Hits Hard

Oregon defeated W. S. C. yesterday at Pullman by the score of 6 to 2. The Pullman team had the reputation of being the fastest in the Inland Empire.

"Dad" Clarke knocked a home run and a Pullman player did the same trick. Hard hitting by other men, however, clinched the game for Oregon.

Captain Hard pitched the game. According to report he was also on the mound the day before against Whitman.

OLD SCORES TO BE SETTLED

LaSalle Has Worked All Winter for O'Connell

The match Friday night between Wrestlers O'Connell and LaSalle will be the most evenly contested bout this winter, according to the two managers of the men. O'Connell defeated LaSalle once last winter, but that was before Joe had been in training for a week. However, in that go LaSalle got the first fall.

What adds to the incentive of the wrestlers in the match tomorrow night is the fact that Joe believes he was robbed of another fall by the referee. Ever since the night of that contest LaSalle has been planning to beat O'Connell, and nearly every match has been planned for the purpose of giving LaSalle standing sufficient to demand a bout with the Portland man.

LaSalle came to Oregon without a press agent, and has had to establish himself here by defeating anybody and everybody that came along. He tried a handicap with Berg, but the European champion was too heavy and wore LaSalle out.

To win against O'Connell means much more to LaSalle than to the

former, for the Eugene man will then be established for even better and bigger matches. O'Connell, on the other hand, will strive to add another conquest to the straight and handicap victories he has won this winter.

Berg Leaves for Hills
John Berg, the European light heavyweight champion, who is matched with Fred Beell for the light heavyweight championship of the world, left this morning for the mountains, where he will rough it for a week. He will return early next week to prepare for the match Monday, May 3, in Exposition rink.
