

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can be defined as the love of one's country. The man who goes to the front for his country with a weak stomach will be a weak soldier and a feeble leader.

A sound stomach makes for good citizenship as well as for health and happiness. Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY. It builds up the body with sound flesh and solid muscle.

The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

SALEM BOOSTERS TELL OF EUGENE

Enjoyed Session Here and Especially Like Our Public Parks

At the pretty little city of Eugene yesterday occurred a very noteworthy gathering of the men who do things for Oregon. They were the representatives of the various commercial boards of the state and met for the purpose of exchanging notes and profiting by the methods pursued in the various communities.

After an excellent business session automobiles were at hand and the entire party was shown about the city and taken through the University grounds, thence to Hendrick's park, that magnificent donation from Eugene's leading banker. This park includes a beautiful forest, and a remarkable outlook of the Willamette valley from a high hill several miles west of the city.

W. M. Colvig, President of Medford Commercial Club, Interviewed

W. M. Colvig, president of the local Commercial Club, returned Wednesday evening from Eugene, where he attended the sessions of the Oregon Development League during the first of the week, says the Medford Tribune. The judge bobbed with the boosters from all portions of the state and held his own, as the judge is wont to do when he has Medford with her resources back of her.

"The visiting boosters were royally entertained by the city of Eugene," said Judge Colvig, "and on all sides the greatest of booster spirits prevailed. Oregon was praised in detail for its charms, each city in the state of any magnitude at all being represented.

The league does a great work in cementing the cities of Oregon into one compact whole for work for the development of the state. I told my stories of Medford and her wonderful resources, and did the boosters from each community represented.
