FACTORS IN LIFE-BUILDING.

The first of a series of sermons on the above theme will be preached at the Congregational church on Sunday evening, May 9. This series will be of special value to young people but will be of interest to all. The subjects are as follows:
1. "A Sense of Proportion."
2. "Fixing Ideals."
3. "Discrimination."
4. "Devotion."
5. "Faith."
A cordial invitation is extended to all. On Sunday morning the pastor will speak on "Standing Fast." A. D. S. Peroxide Cream

A Most Delightful Preparation for Rendering the Skin Soft and Velvety

It possesses the peculiar feature of not being either oily, greasy or sticky.

When applied to the face or hands with slight rubbing it immediately disappears, leaving the skin in "perfectly natural condition," with that much sought after "soft glow of health."

It acts as a pleasing remedy for chapped hands or face, sore lips, pimples, sunburn, chafing, blackheads, or irritation of the skin.

Shavers will find it indeed a boon for that distressing "skin tenderness" after shaving. A small quantity of the cream applied will fix your face up "quick and right."

It is good for "little shavers," too. Keeps their skin in condition and prevents chafing.

Ladies wishing a bright, clear complexion will find this cream to impart a delicate and very pleasing effect to the face, hands and arms.

Prepared in 25c and 50c Jars
