SALEM HIGH IS THE VICTOR

Defeats College Nine by a Close Score

Salem high school defeated the University at baseball yesterday by the score of 4 to 2.

The University team went up in the air in the seventh inning and allowed four runs to cross the plate for Salem. In this inning Henkle, the Oregon pitcher, walked two, then Kay filled the bases by a bunt that was not handled. Then an easy ball was knocked to Jamieson on first, who threw wild to home, allowing two runs to cross the plate. A grounder to first brought in another run from third, while a wild throw to second by the catcher, allowed the fourth Salem tally.

The Salem high school infield showed great form. Kay and Roberts both hit Henkle for two-baggers. Newland, second baseman on the varsity nine, sent a drive to left field which netted him three bags. Van Martyn then drove one to right field which brought in the only earned run of the game.

Ashenfall pitched a brilliant game for Salem, allowing four hits, striking out nine, giving two bases on balls. Henkle fanned 11 and walked three. Score:

O. A. C. 9, Columbia 4.
In a ragged but interesting ball game O. A. C. defeated Columbia University yesterday by a score of 9 to 4. With the exception of the first inning, Robin of O. A. C. pitched steadily, allowing but six hits and walking two of Columbia's men. Foinigan, twirler for the Columbia team, showed good form at times, but went availing in the fourth and eighth innings, when a total of seven and eight innings and total of seven runs and six hits were netted by O. A. C.

"Punks" Plunk the Stars.
A baseball game between the Eugene high school "Punks" and the All-Stars yesterday resulted in victory for the latter team by a score of 11 to 4. It was played at Recreation park and D. Hill officiated as umpire. H. Hamilton, manager of the All Stars, announced that he is desirous of arranging schedules with town teams and those of outlying districts.

LaSalle Loses to O'Connell.
Eddie O'Connell of Portland threw

THE FATHER OF BASEBALL AND MONUMENT TO HIS MEMORY.

Many followers and patrons of the national game assembled at the grave of Henry Chadwick in Greenwood cemetery, Brooklyn, recently, at the dedication and unveiling of the monument to the "father of baseball." The unveiling was held on the anniversary of Mr. Chadwick's death. The monument, which stands at the head of the grave, is a simple shaft of granite, surmounted by a ball and bearing a bronze tablet, crossed bats and a mask of bronze. It was designed by Miss Florence Richter, daughter of the editor of Sporting Life, and was purchased with funds contributed by the owners of the National league teams and other admirers of the veteran baseball writer.

LaSalle at Salem last night two straight falls. The first one was secured in 30 minutes and 30 seconds; the second in 19 minutes. O'Connell is matched to meet Gotch, world's champion here on next Thursday night.

DORM DOWNS TAWAH TEAM

Qualify for Finals to be Held During Junior Week End.

The Dorm baseball team qualified for the finals to be played during Junior week end in the Doughnut cup race, by beating the Tawah club team 8 to 6. The victory was due to hard hitting in the first part of the game, and looseness of play on the part of the Tawahs.

Beel Easy for Gotch.
Frank Gotch preserved his title of champion wrestler of the world Thursday night, when he defeated Fred Beel, the Wisconsin demon, two straight falls. The first occurred in 24 minutes and 36 seconds.

Beel's shoulder was hurt in the fall. The second fall lasted less than a minute. The big champion caught Beel up in a manner in which there was no escape, and hurled him to the canvas in just 30 seconds.

American Pugs to Fight in Paris.
New York, May 8.—A dispatch from Paris says that considerable interest is manifested in the fight to take place tonight between "Honey" Melody of Boston and Willis Lewis of New York. Melody, who formerly held the welterweight championship, has already beaten Lewis decisively twice.

Odds and Ends.
Eugene plays at Salem tomorrow. Forest Smithson at Seattle this week lowered the 50 yard hurdle run to 3 4-5 seconds, marvellous work.

Says a Boise paper: "Carl King, Strouthers' new catcher, came in from the coast yesterday and warmed up with the team. His pecking around the bases was applauded by the crowd. The youngster looks like a corner, behind the plate. King will likely be given a chance to work in this afternoon's game."

James Clabby, the Milwaukee pugilist, has been showing great form of late and will no doubt be matched

CELEBRATE THE FOURTH OF JULY AT SPRINGFIELD

Everybody promises to help make the eagle scream at Springfield on July 4, and judging from those who have the big celebration in charge it will be the biggest day that we have ever known in the fast growing little city. The Commercial club and the auxiliary have taken the matter in charge and will work together to celebrate the day in the most approved and appropriate manner. The entertainment for the day has not been mapped out yet but committees will soon be appointed for the different lines of entertainment and also to provide for the necessary amount of money that will be needed to make the day a grand success.

Business Change.
The grocery firm of Mercadort-Wolfe & Co. has changed hands this week, the new proprietors being J. W. Carman and Geo. O. Knowles. The senior member of the firm comes from Florence where he has been engaged in business for some time. He formerly owned and ran a store in East Portland. Mr. Knowles is now engaged in business in Eugene and is well known throughout the county. Miss Alice Weatherston of Eugene will hold a position in the store as will also I. D. Larimer, who we understand, will be general manager.

Other Notes.
Alvie Prichard, from Eugene was locked in Lyon's lodging quarters for a short time Sunday evening, but succeeded in making his getaway by breaking down the door. The constable made a trip to Eugene Monday morning, but his man was missing and has not since been heard from. A nice little fine will be taxed up against him if he returns to Springfield. He will probably get the limit unless the recorder's heart fails him when he comes to give sentence.

Mr. and Mrs. A. B. Serfling were over from Eugene Sunday for a few hours visit. They are now residing at the county seat, where Mr. Serfling is in the employ of Uncle Sam as an assistant postmaster.

CITY ELECTION

NEXT MONDAY IS IMPORTANT

Charter is to be Amended in Order to Give Council Power to Condemn Land

The special election on Monday, May 10, is very important. Let every taxpayer give attention.

The circuit court has ruled that the city council must be authorized by a vote of the taxpayers to bring the condemnation suit for the right-of-way for the power canal through the Millican land, or that it might be by an amendment to the city charter. The latter spells delay.

If the right to condemn should be held up for any length of time it would be prejudicial to the best interests of the city. It would mean useless waste of time and money expended. If authorized forthwith the plant can be completed before wet weather. Hence the need of and call for a special election.

Delay means further excessive pumping charges.

Every taxpayer should take heed and go to the polls next Monday, and by his vote direct the early consummation of the proceedings now under way.

THE MUNICIPAL LEAGUE.
By its President and Secretary, m8

with some of the star performers before long.

Some one must have slipped Jimmy Collins something in his coffee to make him out such capers with the American Association umpires. Jim never was thus in the big yard.

"Iron Man" McGinnity must surely be a real magnate, for he positively declares that his Newark team will be at the top of the Eastern League at the close of the season.

Hank O'Day chased eight Cubs out of the game the other day. You wouldn't want a better bunch than the Cubs are out for the pennant.

In a group picture of the Providence club, Manager Hugh Duffy looks as young as any player on the team. And Hugh was a big leaguer when Jake Beckley and Jim McGuire were playing on the lot.

The South Atlantic League has changed the player-limit rule and clubs may hereafter carry 13 instead of 12 men. No doubt some of the managers will nudge by that 13 thing. It doesn't look good.

And they say that baseball fans are running the government, including the Weather Bureau. Does this look like a big league's record?

Cleveland—No game—rain.
Chicago—No game—lightning.
New York—No game—frost.
St. Louis—No game—bad wind.
Philadelphia—No game—black snow.

Boston—No game—Symphony rehearsal.

ABSOLUTE CURE OF SKIN ERUPTION

Broke Out on Hips and Legs—Was So Sore, Irritating and Painful that Little Sufferer Could Not Sleep—Scratched Constantly and Kept Growing Worse.

CUTICURA'S EFFECT QUICK AND PERMANENT

"When about two and a half years old my daughter broke out on her hips and the upper parts of her legs with a very irritating and painful eruption. It began in October, the first I noticed was a little red surface and a constant desire on her part to scratch her limbs. She could not sleep and the eruptions got sore, and yellow water came out of them. I had two doctors treat her, but she grew worse under their treatment. Then I bought the Cuticura Soap, Cuticura Ointment and Cuticura Resolvent, and only used them two weeks when she was entirely well. This was in February. She has never had another rough place on her skin, and she is now fourteen years old. I used only half the bottle of Cuticura Resolvent and less than a box of Cuticura Ointment. Mrs. R. L. Whitaker, Winchester, Tenn., Sept. 22, 1908."
