ARNOLD'S ATTRACTIONS FOR THIS YEAR'S FAIR

E. J. Arnold Here Conferring With Management—He Carries 150 People.

E. J. Arnold, proprietor of fair attractions, merry-go-rounds, and other amusement enterprises, was in the city today looking after the installation of one of his merry-go-rounds here and incidentally to confer with the county and district fair management in regard to conducting amusement attractions on the grounds during the fair this fall.

He carries a large number of attractions, said to be the best in his line on the coast. He carries about 150 people with his shows and has a full brass band with his colored minstrels.

Mr. Arnold talked with a number of the committee about the matter and will receive some kind of an answer soon.

SELLS-FLOTO CIRCUS DIFFERS FROM OTHERS

There are many ways in which the Sells-Floto Consolidated Shows differ from other circuses and a visit to this monster tented enterprise when it comes to Eugene May 26, will cause people who have been complaining that all shows were alike to qualify this statement by adding "except the Sell-Floto Show."

The union of these two larger circuses resembles other tented enterprises inasmuch as the performance is given under a tent. When it comes to the circus acts themselves it differs widely from other institutions which are heralded as "great" shows.

The menagerie is more than twice as large as that carried by other circuses. The only mandrill in captivity is in this department. The only hybrid lion-tiger, with the lion's stripes on the tiger's skin, is another rare feature.

A grand street parade is given in every city visited. And the turn-out of the Armour Prize Winning champions is the biggest feature offered with any circus of the present day.

LADIES' AUXILIARY NAMES COMMITTEES

Six Hundred Dollars Reported in Fountain Fund—Hoped to Have Senior Play.

A meeting of the ladies' auxiliary of the Commercial club was held last night, at which time the standing committees were appointed. The executive committee consists of the officers of the auxiliary and two others. The committee is as follows: Mrs. R. McMurphy, Mrs. W. W. Calkins, Mrs. E. J. Fraser, Miss Minnie Schwarzschild, Mrs. Lulu Tolman, Mrs. J. W. Kys and Mrs. J. Goldsmith. Mrs. E. D. Yorlan was appointed chairman of the calling committee, the other members to be appointed later.

It was announced that the sum of \$600 is in the fountain fund and it is planned to have another day such as the one conducted at the Kooner a few days ago to raise money for the fund. This time it will be at the Palace of Sweets on Saturday, May 22. The auxiliary is hoping that the University Senior play may be repeated for the benefit of the fund, and if so, the proceeds ought to be sufficient to complete the \$1,000.

HIGH SCHOOL STUDENTS WILL DEBATE MUNICIPAL GOVERNMENT QUESTION

Tomorrow evening is the date for the Salem-Eugene high school debate. The question is "Resolved that the commission plan of city government is preferable to the present system in our American cities." Both Eugene and Salem are out of the league and neither really knows the strength of the other, but both will be able to put up a strong and interesting argument. The question is of especial interest, being that of city government.

The Eugene team, consisting of Bailey, Kellems and Lombard, supports the negative. Salem debaters are: Miss Lola Cook, Mr. Harry Savage, Mr. Alonzo Tyler.

The home is much improved with a good sewing machine, \$50 Standard, \$32.50. Hill's, 513 Willamette.
