

Pure Blood

Is certain if you take Hood's Sarsaparilla. This great medicine cures those eruptions, pimples and boils that appear at all seasons; cures scrofula sores, salt rheum or eczema; adapts itself equally well to, and also cures, dyspepsia and all stomach troubles; cures rheumatism and catarrh; cures nervous troubles, debility and that tired feeling.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in chocolate tablets called Sarsaparilla as well as in the usual liquid form. Sarsaparilla has identical the same curative properties as the liquid form, besides accuracy of dose, convenience, economy, no loss by evaporation, breakage, or leakage. Druggists or promptly by mail. C. I. Hood Co., Lowell, Mass.

Mrs. C. K. Tyler, Burlington, Vt. says: "The cure of a large family, so much to do and so little health to do it with, caused almost a complete breakdown; blood poor and thin; no strength, little sleep. Hood's Sarsaparilla gave appetite, natural sleep, perfect health, strength to do all my work."

COL. WILLIAMS ELECTED GRAND PATRIARCH

Eugene Man Will Head Encampment Branch of Odd Fellows of State.

Albany, May 18.—The Grand Encampment of Oregon, I. O. O. F., held its thirty-fifth annual session in this city today and completed its work into this afternoon. The Rebekah Assembly of Oregon met in twenty-third annual session this morning and will complete its work tomorrow. Eight hundred delegates are here.

Eugene is making a hard fight for the 1910 session and is being opposed by Hood River and The Dalles.

All of the officers of the Grand Encampment elected last year were present except Grand High Priest R. Robertson, of Roseburg, who died during the past year, and Grand Outside Sentinel J. S. Lawrence, of Coquille. Appointments were made to fill the vacancies and the chairs were filled as follows: Grand patriarch, E. J. Seely, of Albany; acting grand high priest, H. M. Beckwith, of Portland; grand senior warden, John M.

AGONY OF ECZEMA BEYOND WORDS

Whole Body a Mass of Raw, Torturing Humor—Hair All Fell Out and Ears Seemed Ready to Drop Off—Clothing Would Stick to Bleeding Flesh—Hoped Death Would End Fearful Suffering.

CASE SEEMED HOPELESS BUT CUTICURA CURED HER

"Words cannot describe the terrible eczema I suffered with. It broke out on my head and kept spreading until it covered my whole body. I was almost a solid mass of sores from head to foot. I looked more like a piece of raw beef than a human being. The pain and agony I endured seemed more than I could bear. Blood and pus oozed from the great sores on my scalp, from under my finger nails, and nearly all over my body. My ears were so crusted and swollen I was afraid they would break off. Every hair in my head fell out. I could not sit down, for my clothes would stick to the raw and bleeding flesh, making me cry out from the pain. My family doctor did all he could, but I got worse and worse. My condition was awful. I did not think I could live, and wanted death to come and end my frightful sufferings.

"In this condition my mother-in-law begged me to try the Cuticura Remedies. I said I would, but had no hope of recovery. But oh, what blessed relief I experienced after applying Cuticura Ointment. It cooled the bleeding and itching flesh and brought me the first real sleep I had had in weeks. It was as grateful as ice to a burning tongue. I would bathe with warm water and Cuticura Soap, then apply the Ointment freely. I also took Cuticura. Resolvent for the blood. In a short time the sores stopped running, the flesh began to heal, and I knew I was to get well again. Then the hair on my head began to grow, and in a short time I was completely cured. I cannot praise Cuticura enough. I wish I could tell everybody who has eczema to use Cuticura. My condition was so terrible that what cured me cannot fail to cure anybody of this awful disease. If any one doubts the truth of this letter, tell them to write to me. Mrs. Wm. Hunt, 135 Thomas St., Newark, N. J., Sept. 28, 1908."

Williams Grand Patriarch.

John M. Williams, of Eugene, was this afternoon elected Grand Patriarch of the Grand Encampment for the ensuing year, and E. J. Seely, of Albany, the retiring Grand Patriarch, was chosen Grand Representative for a term of two years. E. E. Sharon, of Portland, was elected Grand Scribe for the sixteenth successive time and W. Rickley, of Harrisburg (re-elected); Grand Sentinel, G. A. Poque, of Ontario (re-elected); Grand Outside Sentinel, George W. Wright, of Albany.

The assembly spent this afternoon receiving reports of officers. Reports showed 160 lodges of order in Oregon, five of them being organized in the past year. The gain in membership during the past year was 1060, making the total membership in the state 12,229. The Past Grand Master of the Odd Fellows made the Rebekahs a fraternal visit this forenoon. The Rebekah assembly will remain in session until Wednesday and Thursday. It will probably elect officers tomorrow.

Olmstead, of Salem; sentinel, J. E. Ward, of The Dalles; picket, L. M. Smith, of Dufur.

Twenty-two cantons of the order having been formed in the state, a brigade organization of Patriarchs Militant was formed tonight and officers to serve permanently were chosen as follows: Brigadier-General, P. A. Hantz, of Baker City; assistant adjutant-general, Major A. W. Killik, of Baker City; first regiment colonel, J. F. Ferguson, of Hood River; lieutenant-colonel, H. M. Beckwith, of Portland; major first battalion, J. E. Stanfield, of Athena; major second battalion, W. A. Wheeler, of Portland; major third battalion, J. S. T. Smith, of Gold Hill; major third battalion, F. W. Riches, of Salem.

WILL BEGIN SURVEY OF COOS BAY ROAD

Marshfield, May 18.—Pho have been perfected by the Coos Bay, Oregon & Idaho Railroad company to start at 9 o'clock on an actual preliminary survey for a road out of Coos Bay. The company is one formed with a capital of \$25,000 for the purpose of getting rights of way as a part of the general plan for a road from Coos Bay to Boise. Already about \$3000 has been subscribed and more has been promised.

A canvass is being made for the sale of the certificates of stock. The sale of the certificates is in the nature of a first mortgage on the survey, that may be secured, and are to bear interest and be redeemed out of the first proceeds of the road.

In the actual survey and securing of data it is estimated that \$5000 to \$12,000 will be used for securing right of way. It is thought that much of the right of way will be donated but probably some will have to be paid for.

All of the stock is held in trust by the Chamber of Commerce of Marshfield and North Bend, so that no one corporation can get hold of it and control it.

Patrick Hennessy, president of the company, has been made general manager, and J. R. Smith, the secretary, has been made auditor as well. F. A. Haines has been elected chief engineer. He is forming a surveying crew and will start out this week to make a survey out of Coos Bay. L. F. Falkenstein has been added as a member of the board of directors.

PEOPLE BILKED BY TRAVELING OPTICIANS.

Every few days we hear complaints from people of the city and country that they have been bilked by some traveling optician who has solicited them with glasses under all kinds of promises. These opticians (7) nine times out of ten, are men who cannot make a living when they are known and depend on their wile and a bit of gab to scare their victims into buying their wares.

They will promise anything and make the highest prices for inferior work and shoddy goods. One of these fellows told us that we ought not to kick because they plied their business here, for there were so many suckers in the country and if he did not get their money some other fellow would. We are permanently located here and can always be found when wanted. Our prices are reasonable and we give you the benefit of many years' experience and steady practice. Our guarantee is as good as gold.

S.S.S. DRIVES RHEUMATISM

Rheumatism is due to an excess of uric acid, an irritating accumulation, which gets into the circulation, because of constipation, indigestion, and other physical irregularities which are considered of no importance. Nothing applied externally can do the seat of this trouble; the most such treatment can do is to temporarily, while potash and other mineral medicines reach the acidity of the blood, and this fluid therefore continually grows and vitiated. Then instead of nourishing the different muscles keeping them in a normally supple and elastic condition, it gradually stiffens them by drying up the natural oils and fluids. Rheumatism never be cured until the blood is purified. S. S. S. thoroughly renovates the circulation by neutralizing the acids and driving from a sour, weak stream, depositing acid and painful blood in the muscles, joints and bones, it nourishes the entire body with blood and permanently cures Rheumatism. S. S. S. costars alkali or other harmful mineral, but is made entirely of natural barks of great purifying and tonic properties. Book on Rheumatism any medical advice free to all who write.
