

**Remedies are Needed**

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Bilioousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

*W. B. Pierce, M.D.*

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

T. G. HENDRICKS, Pres. L. L. GOODRICH, Asst. Cash.

**FUNERAL OF MRS. GREEN TO BE HELD SUNDAY**

The funeral of Mrs. Howard A. Green, who died at her home in this city Wednesday morning, will be held at the Gordon undertaking parlors Sunday afternoon at 2:30 o'clock, with interment in the I. O. O. F. cemetery. Rev. J. L. Whitrey, an old friend of the family, will conduct the services.

Mrs. Green, whose maiden name was Bertha Emaline Brown, was born at McGregor, Iowa, March 13, 1865. She spent her childhood there. She was the daughter of Mr. and Mrs. M. J. Brown. On October 12, 1886, she was married to Rev. Howard A. Green and to them four children were born, as follows: Rhoda, Paul, Lois and Mildred. They lived in different parts of Iowa after marriage and came to Eugene in 1901, living here since. Besides her parents, husband and children, she leaves two brothers, George Brown, of Omaha, and H. D. Brown, of Elkader, Iowa, and two sisters, Mrs. Clara L. Ralston, of St. Louis, and Mrs. Alma B. Hellman, of McGregor, Iowa. Mrs. Green was a member of the Baptist church and lived a beautiful Christian life.

Death was due to cancer of the stomach, from which she suffered untold agonies for weeks and months. She passed away peacefully Wednesday morning, surrounded by her family and a number of loving friends.

**O. A. C. REFERENDUM WILL NOT BE FILED**

Ashland, May 20.—Petitions asking for a referendum vote on the special appropriation bill of the recent legislature granting the Oregon Agricultural College \$210,000 for the construction of new buildings, equipment and purchase of lands will not be filed.

E. J. Kaiser, editor of the Valley Record, placed the petitions in circulation throughout the state immediately after the adjournment of the legislature, and was active at the same time in agitating an initiative measure to be voted on by the people placing the University of Oregon, the Agricultural College and the state normals under one board of control. Mr. Kaiser gave out the following statement tonight:

"The petitions do not contain the number of names required. All the names secured were solicited voluntarily, there being no hired solicitors employed."

Clothes kept clean and pressed give better service. For expert work phone The Pantorium, Black 1421, Cokerline & Wetherbee building. We clean, press and repair four suits a month for members of the University club at \$1.50.

E. T. Condon's bakery, ice cream parlor and confectionery will be open Sunday during the summer. 19 East 9th st.

**Varsity Graduate Sides With Silverton Pupils In Class Rush.**

Silverton, Or., May 20.—As a result of a fight here today between Principal W. L. Ray, of the local high school, and Messrs. W. Bower, G. A. Bach and E. L. Smith, members of the school board, the scholars of the Silverton High school walked out in a body at the noon recess. An appeal was made to County Superintendent Smith, at Salem, and he reviewed the local situation, and so arranged matters that school will be resumed tomorrow.

The trouble started over the class rivalry between the sophomores and juniors. As a result of a class rush, in which there was considerable disorder, the school board ordered nine of the students suspended. Principal Ray took the part of the scholars, and seeking legal advice in the matter, came to the conclusion that the school board was exceeding its authority in such action. He advised the pupils to remain in school.

Ray graduated from the University of Oregon in 1908. He is a member of the Alpha club, a student organization.

**BUY GOOD LOTS ON EASY TERMS**

There are still about fifteen good lots left unsold in Blair Street Addition, also a one-acre tract. These lots are only three blocks from the Geary schoolhouse and on graded streets. You make your own terms; small cash payment and monthly installments on balance if you desire. See any real estate agent in Eugene.

**NOTICE TO CONTRACTORS**

Sealed proposals will be received at the office of J. H. Miller, Junction City, Oregon, for the erection of a two-story brick building, according to plans and specifications in the hands of J. H. Miller.

Bids will be received for the whole building or parts thereof up to 1 o'clock p. m. May 22, 1909.

The right is reserved to reject any or all bids.

**TEDDY KILLS A FEMALE RHINOCEROS**

Nairobi, British East Africa, May 19.—Theodore Roosevelt has begun his hunting expedition from the Juja ranch of George McMillan, whose guest he is. He went out last Sunday and bagged a female rhinoceros. The first shot wounded her in the shoulder, and the animal fled to the bushes. Mr. Roosevelt followed on horseback and six more shots were required to bring her down. The head and skin weighed 5732 pounds.

Colonel Roosevelt also added a hippopotamus to his big game bag. The animal was killed a short distance from the Juja ranch.

Edmund Heller, the zoologist of the Roosevelt expedition, returned to camp this morning after bringing here about 50 specimens of animals and bird life to be cured and preserved.
