THE REFLECTOR

The TUNGSTEN LAMP is the only lamp whose operating cost is less per candle power than that of Kerosene.

The HOLOPHANE SHADE has a reflecting and diffusing power not found in any other type of shade.

By using the HOLOPHANE SHADE with the TUNGSTEN LAMP the efficiency of the lamp is increased from 15 to 30 per cent.

EVENT TUESDAY
AND WEDNESDAY**

Program of Men's Chorus
Which Will Be Heard
at M. E. Church

The last rehearsal of the men's chorus will be held at the M. E. church tonight. The carpenters were busy today enlarging the platform to accommodate the large chorus of sixty men which will occupy it during the two concerts to be given Tuesday and Wednesday evenings. The men have practiced faithfully, many of them since the organization early in November. The body has been augmented by some of Eugene's best voices.

An impression has prevailed in the city that only one program will be given. Two distinct concerts will be rendered. There will be no repetition of numbers. The chorus soloist will render a different number each evening. Mr. Monteth will give at least a dozen songs, embracing everything from ballad to oratorio. Mr. Walker, recently of St. Paul, will no doubt please his audiences by his well-trained voice. He is a tenor of unusual qualities, combining the robust with an unusual range. He has been connected with many of the first churches and musical bodies of St. Paul and Minneapolis. Although still a young man, he has accomplished much quality and power of voice.

We know our local musicians. It is to be regretted that with Miss Gilbert and Mrs. Middleton, respectively soprano and contralto, with Messrs. Kerns and Mr. Monteth, tenor and baritone quartet numbers could not be arranged. But each will be heard in solo work. Mr. Lyons, violin; Mr. Stevens, cornet, and Miss Nool, piano, are the other soloists. Messrs. Bumps and McKee, the Messrs. Gilbert and a male quartet are the other special features beside the chorus.

Following is the program for Tuesday evening, also a list of the members of the chorus:

1. Men's Chorus, "There's Music in the Air"..... Root

—Move Houses Off

The Southern Pacific company, which has been attempting to buy the property between Charnellton and Lincoln streets and between West Fourth and the railroad tracks for several years, has at last secured the property, Jack Rodman, the real estate dealer, having first bought it in his name and then turned it over to the company. There are four houses on the property, which were brought over \$11,000. The company will probably build a larger freight depot on the property or use it for a turn-table or more sidetracks.
