

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrapper. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven medicine. Ask your neighbors. They must know of remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

WILL BE NO BOOTHS ON OREGON'S GROUND

Seattle, Wash., May 25.—There will be no selling booths on Oregon's grounds at the Alaska-Yukon-Pacific Exposition, or on any of the land which has been allotted to states and counties, unless the exhibitors give their permission.

This was the agreement made today between a committee from the Commissioners' Association and the executive committee of the fair. State and county commissioners will give permission for booths which will not mar the beauty of the landscape and which will be as unobstructive as possible.

In the case of Oregon, President W. H. Wehrung said that there would be no booths on the grounds allotted to his state.

COULD NOT CURE WEEPING ECZEMA

Disease Began over Ear and Spread till Face and Neck were Raw—Itching, Inflammation and Soreness were Terrible—Lasted Over a Year and All Treatments Failed

UNTIL CUTICURA AGAIN PROVED GREAT SUCCESS

"Eczema began over the top of my ear. It cracked and then began to spread. I had three different doctors and tried several things, but they did me no good. At last one side of my face and my neck clear up to my hair were raw. The water ran out of it so that I had to wear medicated cotton, and it was so inflamed and sore that I had to put a piece of cloth over my pillow to keep the water from it, and it would stain the cloth a sort of yellow. The eczema itched so that it seemed as though I could tear my face all to pieces. The disease began in the fall and I did everything for it until the next winter. Then I began to use the Cuticura Soap and Ointment, and it was not more than three months before it was all healed up. I still use the Cuticura Resolvent Pills once in a while to cleanse the blood. I am very thankful that I tried Cuticura, and I can recommend it to any one. Miss Ann Pearson, Northfield, Vt., Dec. 19, '07."
