COTTAGE GROVE AND "NESMITH" COUNTY NEWS

D. T. Aubrey and wife went to Eugene last Saturday to spend several days with relatives and attend the high school graduating exercises in that city.

W. W. Veach was up from Eugene Monday. He planted 15 acres to Spitzenberg apples on his farm east of Cottage Grove this spring and will set out five acres more to apples this fall.

A very enjoyable reception was tendered Rev. Seiden Adams, the new pastor of the Presbyterian church. About seventy-five were present and a most happy time is reported. Besides the pastors and their wives of the local churches, Rev. Nave, of Albany College, and Rev. McGee of Creswell, were present. Lunch was served and many kind words and wishes were given Mr. Adams that his labor in this vineyard might be pleasant and profitable. Mr. Adams is a young man of ability, and he is doing a good work here, and making many new friends.

The work of beautifying the city park, trimming up the trees, cutting out the brush and cleaning up the grounds commenced today under the supervision of Joe Damewood. The contract for the 341 feet of concrete pavement fronting the park on east main street will be let this week. The park contains five acres and is covered with a beautiful evergreen and oak grove. Over \$1,000 will be expended in improvement work in the park at once, besides the labor donated, and the committee urges those who have donated work to report to Mr. Damewood at the grounds as soon as possible, as their assistance is greatly needed.—Western Oregon and Leader.

Ivory Soap is the standard by which all other soaps are judged. Some soap manufacturers claim that their product is "as good" or "as pure" or "as cheap" as Ivory.

Possibly it is. But neither you nor any other sensible woman will bother with the "as good" kind! You want real Ivory Soap; not the imitation kind.
