REPRESENTATIVES OF ROSE CITY PARK HERE

Messrs. Hickman, Davie and Harms, representing Hartman & Thompson, bankers of Portland, are in the city in the interests of the Rose City Park, a popular suburban addition to Portland, and can be found at the Hotel Smeede for a few days. The lots they are selling in this addition are now held at \$450 each, with a payment of \$19 down and \$10 per month thereafter, but on June 10, the price will be advanced to \$500, with a payment of \$50 down and \$15 per month.

BUY GOOD LOTS ON EASY TERMS

There are still about fifteen good lots left unsold in Blair Street Addition, also a one-acre tract. These lots are only three blocks from the Geary schoolhouse and on graded streets. You make your own terms; small cash payment and monthly installments on balance if you desire. See any real estate agent in Eugene.

PLEASANT HILL ITEMS.

(Special Correspondence.) Pleasant Hill, June 1.—The rain just fallen will save the winter grain and one more such in two or three weeks, will finish the spring grain in good shape. Farmers are smiling at the improved prospects.

The public schools and high schools closed Friday. A ball game in the afternoon and an ice cream social in the evening were the principal features of the day.

Mrs. M. M. Gilbert went to Tazewell Friday to attend the eighth grade graduating exercises in the school of which Mr. Gilbert is principal. An entire class of nine successfully passed the late examinations.

Asa McKenzie and family left this week for their new home in Lane county, much to the regret of the entire neighborhood of which they have been agreeable and useful citizens for more than twenty years.

A wedding is scheduled to take place here in a few days. We extend congratulations in advance.

E. C. Statzer is running a beef-wagon, which "fills a long-felt" want in this section.

Mrs. F. C. Drury of Marcola is visiting relatives here for a few days.

The "Pomona" held Saturday at the hall was well attended, and twenty-five took the fifth degree. This is the third meeting in this county, the first at Springfield, the second at Irving, while the fourth will be held at Lorane July 5th.

Mrs. Nancy Whitner, formerly of this place, who has been spending the past nine months with her mother at Prineville, returned last week to her home and language seems to fall to express her satisfaction in being once more in Webfoot, or, to draw a suitable comparison between this and the "bunchgrass" country.

An unpromising feature of several of the late land deals is that so much of it is being sold to non-residents, for the best of tenants can have no real interest in local improvements and social affairs.

NOTICE.

Sealed proposals will be received by the building committee of the B. P. O. E. Lodge of Eugene until June 24, 1909, for the purchase of their property situated on West 8th street between Willamette and Olive streets; 40 feet front on 8th by 160 feet deep, with a two-story brick building on the same, 40x80 feet.

The right to reject all bids is reserved. Address all bids to F. W. Osburn, at the Eugene Loan & Savings Bank, L. T. HARRIS, Chairman, R. M. DAY, Secretary, 124 Building Com.

NEWS OF COTTAGE GROVE AND VICINITY

Mr. and Mrs. Darwin Bristow and little daughter, of Eugene, attended the Memorial exercises in this city Monday.

Editor Shutt, who sold the Drain Nonpareil last week, was a Cottage Grove visitor Monday. He will soon go on a camping trip to Klamath county, where he may locate.

Dr. Ogelsby left yesterday morning on the Cottage Grove local for Seattle, where he will superintend the installation of the Bohemia mining exhibit. He will only remain away a little over a week.

Miss Grace Jackson, of Eugene, spent a few days in this city visiting her friend, Miss Mary Willard.

Miss Minnie Munday, of Eugene, is enjoying a few days' visit with her mother and sister in this city.

While the Creswell bound tourists were waiting at Eugene for their train to Creswell they were given an auto ride all over Eugene. The county seat always seems to be able to get in its work first on such occasions.

M. F. Ryan, the genial Douglas county commissioner, was a Cottage Grove visitor Saturday and informed the Leader that much permanent road and bridge work will be accomplished in Douglas county this year. He was looking after some road matters at the Divide.

Jos. Porter and wife and Mrs. Porter's son, Joe Arnold, will start on an extended trip east Wednesday. They will visit at Mrs. Porter's old home at Canton, Illinois, and then spend a few months sight-seeing in the Middle West, returning home during the summer by way of the Seattle exposition.

F. Hall has just placed orders for the biggest shipment of timber ever received by any lumberman of this county. The Denver & Rio Grad Railway company has asked him to ship to Colorado 1,000,000 feet of bridge timber. He received the order Friday last, and before Sunday night it had been placed and is now being filled as rapidly as possible.

Bert Lawson is in the city today and will remain for the balance of this week. He is making arrangements with his tenants, whose leases expire this month to find new quarters, and will soon start the work on his new building. He is not yet fully determined as to whether he will move the present buildings to other sites, or tear them down. The building he contemplates will be a modern two-story brick, of artistic beauty as well as a big help to the substantial business section.

The Wells-Fargo express office and the Western Union telegraph office have been moved to the building adjoining the creamery on Third street, awaiting the completion of the new C. C. Woodward brick on the site of the former express office building and other buildings adjoining, including Ostrander's barber shop, New Era drug store and McFarland's tobacco and cigar store, all of which buildings will be torn down or removed to make room for the new modern brick.—Western Oregon and Leader.

NATURE TELLS YOU.

As Many Eugene Readers Know Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action. Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills. Eugene people testify to this.

L. Bonney, 459 Olive St., Eugene, Ore., says: "I suffered from backache for a good many years. The kidney secretions were irregular in action, unnatural in appearance and source of much annoyance especially at night, when my rest was broken. I tried many remedies but obtained no relief until I procured Doan's Kidney Pills at W. E. DeLano's drug store. After I had used one box I received great relief and on continuing them all my trouble disappeared. I take great pleasure in expressing my opinion of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

The General Demand

of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.
