S.S. THE CURE FOR SCROFULA

Some symptoms of Scrofula are enlarged glands of the neck, sores on the body, skin affections, catarrhal troubles, weak eyes and poor health. The inherited poison, transmitted through the blood, vitiates and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality and poisons the whole system. Thousands of children, born with a scrofulous taint, pass their childhood in constant physical suffering, and grow to manhood or womanhood handicapped by ill health and stunted growth, while some disease of the bones or joints developed. S. S. S., taken in early life, would have prevented this. It would have thoroughly purified the blood of the taint, nourished and stengthened the whole body and assisted each to grow into strong, healthful manhood and womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all impurities. It supplies the weak, diseased blood with strength and rebuilding qualities, and under the purifying effects of this great tonic the symptoms of Scrofula pass away. S. S. S. contains no minerals and is an absolutely safe treatment for children, even infants, as well as adults. Literature about Scrofula and any medical advice free to any address.

PAVING PLANT LOSES MIXING MACHINERY

Takes Three Hours to Subdue Fire of Bichumen at Mixing Plant

A hot fire in the vat of the bichumen at the plant of the Warren Construction Company, beginning Sunday morning shortly before 11 o'clock, destroyed the mixing machine, the vats and caused damage to other machinery. After a fight lasting until 1 o'clock the fire department and the men of the paving company conquered the flames with the chemical engine and sand.

For two hours the chemicals were played on the dark heavy flames that shot out of the vats into great rolling clouds of smoke. At noon the men had the fire almost smothered, when the chemicals gave out. By the time, twenty minutes later, a new supply had been gotten, the flames were almost as bad as before, and the fight had to be fought over again.

The mixing machinery was to have been shipped to Roseburg in a few days. The loss of the company is in the neighborhood of $2,000.

The origin of the fire is supposed to have been the furnace. No one was watching the plant, but a fire had been left underneath the vats. A spark probably lighted the vat or the bichumen may have boiled over and caught.

Several hundred people visited the plant in the morning. The report spread over town at first that the fire was the saw mill, and hundreds hurried to see the conflagration.

JERSEY BULL.

Registered Jersey Bull at the race track. Owned by H. H. Thayer. Fee, $2.00. tf

Hundreds of local business men of the city and county are signing a petition to the president asking that Charles Nickell be pardoned for his connection with the land frauds in Oregon, of which he was convicted and sentenced to thirteen months imprisonment on McNeil's islands. J. E. Barkdull of this city has been circulating the petition in Medford and so far has not met a single business man who has refused to sign.—Medford Tribune.

P. D. Gilbert, William Bain, George Taylor and L. H. Fish, of this city, are spending an outing at Foley Springs, near Eugene.—Albany Herald.

MANY TRAINMEN IMPLICATED IN CAR ROBBERIES

Junction City, June 7.—For several years Southern Pacific freight cars have been broken into and looted at this place. The robberies have generally been charged to tramps, but from recent developments it shows the railroad company has been robbed by its own employes. Railroad Detective Rilley has been camping among the freight cars for some time, and as a result of his vigilance he found two sets of harness in the room of one of the brakemen, which had been stolen from a car. One of the brakemen made a confession of the robbery and he implicates 27 others in the steal. It seems that there was a regular organized gang among certain railroad men. Their names are now known by the railroad detectives and it is only a question of time until the entire gang will be brought to justice.

NEW FLYER TO BEGIN JUNE 10

The new flyer over the Southern Pacific railroad between Portland and San Francisco, which was to begin operation on the evening of June 1, did not materialize. It was impossible to get the proper equipment together by that time, and the date is now June 10.

The train will consists of four Pullman sleepers, an observation car and a baggage car for use in carrying the necessary electric lighting equipment. The schedule calls for the run to be made in 27½ hours, with few stops.

NOTICE TO IOWA PEOPLE.

All the Iowa people are invited to attend a meeting to be held in the East City Park across the street from the court house in Eugene, on the 12th day of June, at 2:30 p.m., for the purpose of discussing the proposition of having another picnic.

All the invited, and anyone wishing to join the association, may do so by calling at the office of F. H. Greenman, in the McClung building.

E. F. CHAPMAN, Chairman.
F. H. GREENMAN, Secretary.

The want ads, probably have a few messages for you to-day. Some of them, perhaps, will not "wait," either.

Dr. Jarvis, eyesight specialist, second floor, White Temple. Glasses fitted and satisfaction guaranteed. tf

DROWNED IN WENDLING POND WHILE ALONE

F. Smith Fell In While Working Among Logs Last Saturday

F. Smith, a logger, twenty-eight years old, was drowned Saturday afternoon at Wendling in the Booth-Kelly mill pond. When last seen he was working among the logs at 4 o'clock. He did not come to supper, and his wife at once gave out the alarm and the searchers found the body in the pond. He probably slipped and was stunned, so that he could not swim or save himself.

Smith is survived by a wife and mother. He has lived in Wendling for a considerable length of time. The funeral will probably not be held until Wednesday morning, as the mother of the man will not be able to come from San Francisco before that time. Rev. E. J. Emmons, of Springfield, will preach the sermon. The burial will be held in Laurel Hill cemetery.

An inquest was held over the body by the justice of the peace at Wendling, the jury bringing in a verdict of accidental drowning.

Col. Robt. G. Smith, of Grant's Pass, will deliver the annual address on Pioneer's Day, June 24, at the Linn County Pioneer Picnic.

SICK HEADACHE

CARTER'S LITTLE LIVER PILLS.

Positively cured by these Little Pills.

They also relieve Distress from Dyspepsia, Indigestion and Too Hearty Eating. A perfect remedy for Dizziness, Nausea, Drowsiness, Bad Taste in the Mouth, Coated Tongue, Pain in the Side TORPID LIVER. They regulate the Bowels. Purely Vegetable.
