**FIVE TRAINS
EACH DAY AFTER
JUNE TWELFTH**

New Through Train "Shasta"
—Limited," Goes On Soon
Extend Roseburg Local

The Guard a few days ago printed
an item to the effect that the new
train between Portland and San
Francisco will be put on June 20.
Official notice of the train has been
made to the Portland papers as fol-
lows:
Announcement was made at the
Southern Pacific general office yester-
day that the Shasta Limited, the
new 27-hour train between Portland
and San Francisco, would make its
initial trip June 20. The train which
will cut the running time nine hours
between the two cities will leave
Portland at 6 p. m. and arrive in San
Francisco at 9 p. m. the following
day. The hour of departure from
San Francisco is also 6 p. m.
On the same date trains 11 and
12 now operating between Portland
and Roseburg will run through
Ashland, 152 miles farther.
The addition of the Shasta Limited
and the extension of a new local
service to Ashland will give the
Southern Pacific four trains daily
each way across the state of Oregon,
north and south, and five trains each
way daily between Portland and Cot-
tage Grove.
So far as now known there will be
little if any change in the time of
departure or arrival of the two through
trains now running between Portland
and San Francisco or of the two Ore-
gon locals. The through trains will
depart from the Central station at
6 p. m., 7:45 p. m. and 1:30 a. m.,
arriving at 9 p. m., 7:15 a. m. and
11:15 p. m.
The Ashland local will leave Port-
land at 8:15 a. m. and arrive here
at 6:30 p. m. The Cottage Grove
local departs at 4:15 p. m. and ar-
rives in Portland at 11:30 a. m.

**GREEN CAP RESOLUTION
OF VARSITY STUDENTS**

The green cap resolution of the
University of Oregon associated stu-
dents has caused much comment
over the state. Here they are, pub-
lished for the first time:
Inasmuch as there exists, at pre-
sent at the University of Oregon, few,
if any of the customs and traditions
by which it is customary at Univer-
sities to distinguish one class from
another, and by which class spirit is
fostered, and,
Inasmuch as it is believed that cus-
toms of this character strengthen the
student organization, and college
spirit in general; therefore, be it
Resolved, by the students of the
University of Oregon, in student
body meeting assembled, that, be-
ginning with the succeeding college
year, every freshman shall wear,
until the Saturday before commence-
ment day of his freshman year, both
on the campus and in the town of
Eugene, a green cap bearing his
class numeral; and be it further
Resolved, That no freshman shall
wear at any time during his first
year at the University of Oregon, a
full dress or "Tuxedo suit", at any so-
cial function, either university or
town gathering.

**JUDGE GATENS WINS
IN CIRCUIT COURT**

Salem, June 10.—Judge William
Galloway, in a decision rendered to-
day regarding the filing of the refer-
endum petition with the secretary
of state by U'Ren and others, ques-
tioning the constitutionality of the
emergency clause in the appoint-
ment of Judge William Gatens to the
fourth judicial district, holds that
the appointment fills all legal
requirements, and that although
the emergency clause did not con-
tain the words "immediate," the
same meaning, and could not be mis-
construed as meaning there was no
immediate necessity for a fifth
judge in the fourth judicial district,
for the protection of the public
peace and health, or safety Judge
Galloway's decision, therefore, up-
holds the action of the secretary of
state in refusing to file the petition
originally, but it is probable that the
petitioners will carry the matter up
to the supreme court.
