W. C. T. U. CORRESPONDENCE

(Josephine Hull, Press Correspondent.)

"June fields and gardens are
aglow
With blossoms sweet and bright.
Let kindly hands these gifts bestow."

God's message—Love and Light.
With the coming of the month
of roses our thoughts turn with loving
appreciation of the beautiful life
of our Flower Mission saint, whose
birthday, June 9, we commemorate
as one of the "Red Letter Days" of
the W. C. T. U.

The story of Jennie Cassidy, from
whose invalid couch came the conception
of our great flower mission
department, is known to all white-
ribboners, and many are better and
stronger for having known this patient
sufferer. Although a helpless
invalid, Miss Cassidy was tireless in
her effort to make the world brighter
for the sick and discouraged, and
as the first national superintendent
of Flower Mission work, she was
indeed beloved by those whose lives
have been gladdened by the ministry
of her flowers and their messages of
cheer.

No other month offers better opportunities
for Flower Mission work than does June,
with all its blossoms of plant and tree.
We who have the privilege of enjoying the
beauties of the field and wood must remember
that there are many who know not
the grandeur of "God's great out of
doors," and that to them a little
breath of nature would prove a blessing.
Let us bring our buds and blossoms,
our smiles and our words of cheer to those
who need a bit of sunshine and fragrance to
brighten the dreariness of their lives; and
also send a kindly remembrance to those
who are nearing life's sunset and are
simply waiting the call to the great beyond.

The Eugene union met in the park
Wednesday and prepared and sent out
one hundred bouquets—approximately—to
sick and aged and invalids and old friends;
also to some others to whom the union felt
obligated for special favors.

But the best bouquet of the season
is that Seattle "dry" exposition,
which is the first "dry" international
fair ever held.

HUMANE SOCIETY NEED IN EUGENE

Editor Guard: Some one is needed
to organize a humane society for the
prevention of cruelty to animals, as
individuals are slow about interfering,
and we see so often where a society
of that kind is needed. Yesterday a
team of skeleton horses belonging to
some campers across the bridge, stood
all day without food, so far as the writer
could see, and not only that, but all
forenoon in the boiling sun, the owner
too indolent to tie them in the shade,
a little way from where they stood.
In the afternoon the shade reached
them and helped to alleviate their
suffering to some extent. Such things
should not be tolerated in a civilized
country.

A LOVER OF ANIMALS.

NOTICE.

Sealed proposals will be received
by the building committee of the B.
P. O. E. Lodge of Eugene until June
24, 1909, for the purchase of their
property situated on West 8th street
between Willamette and Olive
streets: 40 feet front on 8th by 160
feet deep, with a two-story brick
building on the same, 40x80 feet.
The right to reject all bids is reserved.

Address all bids to F. W. Osburn,
at the Eugene Loan & Savings Bank.

JUBILEE EXCURSION TO KLAMATH FALLS

Monday, June 14th, will be a big
day for Klamath Falls. There will
be a grand jubilee in celebration of
the completion of the Southern Pacific
railroad to that city. There will
be a barbecue and other festivities.

Klamath Falls is preparing to
make this an historical event. For
the convenience of those who would
like to attend the jubilee the Southern
Pacific will issue greatly reduced
rate tickets from many Oregon
points. The rate from Eugene
will be \$13.30 (one-half regular
rate). Tickets on sale June 11 and
12, good for return any time within
fifteen days, with stopover privileges
returning. J-12

STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the chain of life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach.
Take the above recommended "Discovery"
and you may have a strong stomach
and a strong body.

GIVEN AWAY.—Dr. Pierce's Common Sense Medical Adviser,
new revised Edition, is sent free on receipt of stamps to pay
expense of mailing only. Send 21 one-cent stamps for the
book in paper covers, or 31 stamps for the cloth-bound volume.
